

**Purpose of Application and Use of Form 316**

Fordham University, licensee of non-commercial educational radio station WFUV(FM) and translator station W233BM, is an educational institution governed by the Executive Committee of its Board of Trustees.<sup>1</sup> The Executive Committee currently consists of eleven members, each of whom has one vote. The purpose of this application is to request consent to transfer of control to the current Executive Committee, as listed on Page 2 of this exhibit.

As is typical of non-profit, non-commercial educational licensees, the composition of the Board has gradually changed over the years. The table at pages 3-5 of this Exhibit demonstrates that the changes in the composition of the Board of Trustees have occurred gradually since the Commission last granted an application approving a previous Executive Committee, and the present. Accordingly, use of Form 316 is appropriate for this application.

No written agreements exist documenting the changes herein listed, as they occurred through the ordinary processes of attrition and appointment of new Committee members. All Committee members are U.S. citizens. Addresses and positional interests for current Committee members are provided on Page 2 of this exhibit.
