Federal Communications Commission,

This is to verify that on April 11, 2007, I witnessed the assembly and installation of the Shively Labs Model 6810-4R-DA antenna for WCMP-FM.

The installation was accomplished in full conformance with the drawings, specifications, and instructions of the manufacturer.

The above statement is true and correct to the best of my knowledge and belief.

Thank you,

Wilfred A. Meys
