

DECLARATION AND RECUSAL STATEMENT OF JOHN C. FOSTER

I, John C. Foster, serve as a member of the Piedmont College (the "College") Board of Trustees (the "Board"). The College is a multi-faceted organization and my duties on the Board are wholly unrelated to the College's application for, and operation of, a low power FM station (the "LPFM Station").

In light of the attributable interest that I hold in a different broadcast station, I hereby recuse myself from considering or being involved in any and all matters affecting the LPFM station, including, but not limited to, the operations of the LPFM station in the event the LPFM application is granted, and for so long as I hold that other attributable interest.

I declare under penalty of perjury that the foregoing is true and correct.

John C. Foster
