Engineer's Certification of Proper Directional Antenna Installation
KRFP (FM) Moscow Idaho
CP: BPED-20140709AAA

I, Thomas E Voorhees, hereby certify that the Propagation Systems Inc directional Antenna for KRFP (FM) has been installed in full accordance with construction permit BPED-20140709AAA, and in full accordance with all installation instructions provided by the antenna manufacturer.

The directional antenna is oriented per the manufacturer's instructions, which was verified on-site by a licensed surveyor.

I supervised the installation on-site. Supervising such projects is well within the scope of my understanding, experience, and expertise.

I am a qualified long haul terrestrial microwave and satellite uplink A station project engineer of over 52 years experience, as well as several recent years of supervision of FM broadcast transmitter installations.

Respectfully submitted this 28th day of July, 2017.
