FCC Form 314
Section III, Question 11

ASSIGNEE'S EXHIBIT 3

“Intended Use of Station”

As noted in the recent amendment to the Form 345 for assignment of license for FM translators W276AQ and W232AL (File No. BALFT-20030424ABK), Bridgelight, LLC (“Bridgelight”) intends to operate WJUX(FM), as well as these translators, as a noncommercial educational facility. For this reason, the agreement to acquire WJUX(FM) is conditioned on its conversion to noncommercial educational status. *See* Asset Purchase Agreement between Monticello Mountain Top Broadcasting, Inc. and Bridgelight, LLC dated June 5, 2003, § 8.1(i). Accordingly, Bridgelight has filed a Form 302-FM requesting modification of license (File No. BMLH-20030612AJV) to convert WJUX(FM) to noncommercial educational upon the grant of this assignment application.
