**Re: WLJW Radio Tower**  
**Fife Lake, MI**  
**Antenna Placement**

Dear Mr. Harcey:

This is to certify that on February 4, 2014, field measurements to determine the orientation of the antenna system were taken at the above referenced site. Based on these measurements, the true North azimuth of the installed antenna system is 321 degrees.

Should you have any questions regarding this information, please contact me at your convenience.

Sincerely,

Landtech
