

Exhibit 5 – Compliance With Broadcast Multiple Ownership Rules

The applicant, KM Communications, Inc. (“KM”), was the high bidder in the Commission’s new FM construction permit auction, Auction No. 70 (the “Auction”), for the Hebbbronville, Texas permit. KM’s application is in compliance with the FCC’s multiple ownership rules. Hebbbronville is not part of any Arbitron market and the Hebbbronville station contour will not overlap with any other station or application that KM or its principals have an interest in.
