Dear Applicant:

Within 30 days from the date of this letter, file an amendment to resolve the deficiency that was discovered during the initial review of your application. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, The ASRN number 1011273 as indicated in the above referenced construction permit shows the following tower specifications:

Coordinates = N 34 12 10 W 97 09 12  
Overall Tower Height above Ground Level of 68.9 meters.

However, the ASR registration search results of the ASRN number 1011273 show different tower specifications as indicated in ASR Registration Search Results screen shot imported below for your reference:
