

TECHNICAL STATEMENT  
RADIO MULTIPLE OWNERSHIP ANALYSIS  
CITICASTERS LICENSES, L.P.

This statement and the attached figures were prepared on behalf of Citicasters Licenses, L.P. ("CLLP"), a licensee subsidiary of Clear Channel Communications, Inc. ("CCC"). CLLP proposes to change the community of license of KATZ-FM from Alton, IL to Bridgeton, MO. A multiple ownership analysis was prepared considering the following radio stations under present or proposed common ownership, time brokerage or joint sales.<sup>1</sup>

Table 1: Proposed Commonly Owned, Brokered or Jointly-Sold Stations  
Studied and Associated Arbitron Metro<sup>2</sup> Information

Calls	Fac ID	Band	Community	County	State	Geographic Arbitron Market	Declared Arbitron Market
KATZ	48968	AM	St. Louis	St Louis City	MO	St. Louis, MO	St. Louis, MO
KATZ-FM	48958	FM	Alton	Madison	IL	St. Louis, MO	St. Louis, MO
KLOU	9626	FM	St. Louis	St Louis City	MO	St. Louis, MO	St. Louis, MO
KMJM-FM	13793	FM	Columbia	Monroe	IL	St. Louis, MO	St. Louis, MO
KSD	20360	FM	St. Louis	St Louis City	MO	St. Louis, MO	St. Louis, MO
KSLZ	48960	FM	St. Louis	St Louis City	MO	St. Louis, MO	St. Louis, MO

Since certain of these stations have overlapping principal community contours (5 mV/m for AM stations, 3.16 mV/m for FM stations), or are located in, or home to, the same Arbitron Metro Markets, an ownership study has been prepared in accordance with the Federal Communications Commission's local radio ownership rule.<sup>3</sup>

CCC does not have an attributable interest in any other station with a principal community contour that overlaps or intersects the principal community contour of KATZ-FM as proposed, or which is located in the same Arbitron Metro<sup>4</sup> as KATZ-FM. The proposed community of license of KATZ-FM is located in St. Louis County, MO, which like the current community of license, is geographically within the St. Louis, MO Arbitron Metro. It is anticipated that KATZ-FM will be reported by BIA as being "Home" to the St. Louis, MO Arbitron Metro.

<sup>1</sup> None of the following stations are attributable by virtue of a time brokerage agreement or joint sales agreement.

<sup>2</sup> Arbitron data presented herein is obtained from BIA's "Media Access Pro."

<sup>3</sup> See 47 C.F.R. § 73.3555(a).

<sup>4</sup> A station is considered to be "located in an Arbitron Metro" if the station's community of license is located within the boundaries of that Metro, or, the station is listed as "Home" to that Metro by BIA.

## Arbitron Market Study

KATZ-FM, as a Alton, IL station, is geographically located in the St. Louis, MO Arbitron Metro. KATZ-FM is seeking a construction permit to relocate to a community that is also geographically within the St. Louis, MO Arbitron Metro. As a Alton, IL station, KATZ-FM has been reported by BIA as being "Home" solely to the St. Louis, MO Arbitron Metro. It is anticipated that KATZ-FM will continue to be reported by BIA as being "Home" to the St. Louis, MO Arbitron Metro as a Bridgeton, MO station. This proposal is in compliance with the local radio ownership rules for that Arbitron Metro, as evidenced by Table 2 below:

Table 2 - Stations Considered to be in the  
St. Louis, MO Arbitron Metro<sup>5</sup>

### Interim Contour-Overlap Analysis

Because the principal community of the station to be modified, and the communities of all commonly-owned or attributable stations with overlapping principal contours with the station to be modified, are located inside an Arbitron Metro, an interim contour-overlap analysis is not required.

### Conclusions

In the St. Louis, MO Arbitron Radio Market studied herein, there are at least 69 radio stations, including the subject commonly-owned 1-AM/5-FM stations, which are home to the St. Louis, MO Metro.

Based on the above, it is concluded that the proposed modification complies with Section 73.3555(a) of the FCC Rules.

Respectfully submitted,

Lance Nelms  
FCC Engineer
