Re: Station WALK(AM), Patchogue, New York
File No. BZ-851213AR

Ladies and Gentlemen:

The Commission recently issued the above-referenced revised AM Broadcast Station License for WALK, Patchogue, New York, a copy of which is attached. The license incorrectly states the Station licensee as American Media, Inc.; the correct name of the licensee is Island Broadcasting Company, Inc. There has previously been confusion at the Commission regarding the name of the licensee, and I am attaching a copy of a letter of January 7, 1986, designed to correct that confusion. As explained in the attached letter, Island Broadcast Company, Inc. was formerly named American Media, Inc.; currently, American Media, Inc. is the name of the licensee's sole stockholder.

I would very much appreciate it if you would correct the name of the licensee on the Commission's records and reissue a station license with the licensee's name
