

TIME BROKERAGE AGREEMENT

THIS TIME BROKERAGE AGREEMENT (this "Agreement") is made and entered into as of April 30, 2012 by and among Youngers Colorado Broadcasting, L.L.C. ("YCB") (the "Licensee") and Radio Partners, LLC ("Broker"):

WITNESSETH:

WHEREAS, YCB is the licensee of Station KEZZ(FM), Phippsburg, Colorado, facility ID 165959 ("Station"), pursuant to licenses issued by the Federal Communications Commission ("FCC");

WHEREAS, Broker desires to provide substantially all of the programming to be transmitted on the Station and to broker advertising time included in that programming pursuant to the provisions hereof and the applicable rules and regulations of the FCC;

WHEREAS, Licensee desire to accept and to transmit programming supplied by Broker on the Station, while maintaining control over the Station and continuing to broadcast Licensee's own public-interest programming on the Station; and

NOW THEREFORE, in consideration of these premises and the mutual promises, undertakings, covenants, and agreements of the parties contained in this Agreement, the parties hereto, intending to be legally bound, do hereby agree as follows:

ARTICLE I **PROGRAMMING**

1.1 **Brokered Programming.** Broker will provide for the transmission by the Station, at Broker's expense, of news, sports, informational, and entertainment programming, and associated advertising, promotional, and public-service programming and announcement matter sufficient to program the Station on a daily basis throughout the Initial Term, as hereinafter defined (the "Brokered Programming"). All Brokered Programming and its transmission by the Station shall be subject to the supervision and control of Licensee.

1.2 **Licensee Programming.** Licensee will retain sole responsibility, which may be delegated to the Broker, for the ascertainment of the problems, issues, concerns, and needs of the Station's communities of license and their service areas. Licensee will regularly communicate to Broker the results of Licensee's ascertainment of such problems, issues, concerns, and needs. The Brokered Programming will include programming which responds to the problems, issues, concerns, and needs ascertained by Licensee. Licensee shall have the right and the obligation to broadcast such additional programming, either produced or purchased by Licensee, as Licensee shall determine to be appropriate in order to respond to the ascertained problems, issues, concerns, and needs (the "Licensee Programming"). Such Licensee Programming shall be broadcast on Sunday mornings for up to two hours or at times agreed to by Broker and Licensee.

1.3 Additional Licensee Obligations.

(a) Although Licensee and Broker shall cooperate in the broadcast of emergency information over the Station, Licensee shall retain the right to interrupt, pre-empt, or delete the Brokered Programming in case of an emergency or for programming which does not contain commercial advertising and which, in the good-faith judgment of Licensee, is of greater local or national public importance than the Brokered Programming so interrupted, pre-empted, or deleted.

(b) Broker shall air the Station' hourly Station identifications and any other announcements required to be presented by the FCC's rules and regulations.

(c) Licensee and Broker shall cooperate in ensuring compliance with the FCC's rules and requirements governing uses of the Station' facilities by legally-qualified candidates for election to public office, including compliance with Licensee' obligation to provide reasonable access to use the Station' facilities on the part of legally-qualified candidates for election to federal public offices. Broker will provide Licensee with copies of any material setting forth terms and/or conditions for the availability of political advertising time on the Station in advance of the public dissemination of such material, so that Licensee may provide their input as to such material.

(d) In every case where Licensee preempt Broker's programming, Licensee will use their best efforts to give Broker reasonable advance notice of their intentions to preempt such programs. In the event of such preemption, Broker shall receive a payment credit for any programming provided by it to the Station and not broadcast by the Station for whatever reason; provided that in accord with Section 1.2, Licensee shall retain two hours of broadcast time a week for their own programming, for which no payment credit shall be due. In no event shall any preemption, deletion or failure to broadcast Broker's programs take place for the commercial, business or economic advantage of Licensee.

1.4 Broadcast Station Programming Policy Statement. Licensee have adopted a Broadcast Station Programming Policy Statement (the "Policy Statement"), a copy of which appears as Schedule 1.4. The Policy Statement may be amended, in a non-material manner, from time to time by Licensee, upon notice to Broker. Broker agrees and covenants to comply in all material respects with the Policy Statement, with all rules and regulations of the FCC, and with all non-material changes subsequently made by Licensee to the Policy Statement or by the FCC to its rules and regulations. Broker shall furnish or shall cause to be furnished the artistic personnel and material for the Brokered Programming as provided in this Agreement, and all Brokered Programming shall be prepared and presented in conformity with the rules, regulations, and policies of the FCC and with the Policy Statement set forth in Schedule 1.4 hereto. All advertising spots and promotional material or announcements shall comply with applicable federal, state, and local regulations and policies and the Policy Statement, and shall be produced in accordance with quality standards established by Broker. If Licensee shall determine that any Brokered Programming supplied by Broker is for any reason, within Licensee' sole discretion, unsatisfactory or unsuitable or contrary to the public interest, or does not comply with the Policy

Statement, Licensee may, upon written notice to Broker (to the extent that time shall permit such notice) require Broker to alter the Brokered Programming and, in the absence of such alteration to Licensee' satisfaction on a timely basis, suspend or cancel such Brokered Programming and substitute Licensee' own programming or require Broker to provide suitable programming, commercial announcements, or other announcements or promotional material, subject to Section 1.3(d) above.

1.5 Broker Compliance With Copyright Act. Broker represents and warrants to Licensee that Broker has full authority to broadcast the Brokered Programming on the Station, and that Broker shall not broadcast any material in violation of the "Copyright Act." All music supplied by Broker shall be: (i) licensed by ASCAP, SESAC, or BMI; (ii) in the public domain; or (iii) cleared at the source by Broker. Licensee will maintain ASCAP, SESAC, and BMI licenses, as necessary. The right to use the Brokered Programming and to authorize its use in any manner shall be, and shall remain, vested in Broker.

1.6 Sales. Broker shall retain all revenues from the sale of advertising time within the Brokered Programming provided by Broker for broadcast by the Station. Broker may sell advertising on the Station in combination with any other broadcast Station of Broker's choosing. Broker shall be responsible for the payment of commissions due to any national sales representative engaged by Broker for the purpose of selling national advertising which is carried during the Brokered Programming. Licensee and Broker each shall have the right, at their own expense, to seek copyright royalty payments for their own programming.

1.7 Payola. Broker agrees that it will not accept, and will not permit any of its employees to accept, any consideration, compensation, gift, or gratuity of any kind whatsoever, regardless of its value or form, including, but not limited to, a commission, discount, bonus, material, supplies, or other merchandise, services, or labor (collectively, "Consideration"), whether or not pursuant to written contracts or agreements between Broker and merchants or advertisers, unless the payor is identified in the program for which the Consideration was provided as having paid for or furnished such Consideration, in accordance with the Communications Act of 1934, as amended (the "Act"), and FCC requirements.

ARTICLE II **OPERATIONS**

2.1 Compliance With FCC Regulations.

(a) Licensee will have full authority, power, and control over the management and operations of the Station during the Initial Term of this Agreement, as hereinafter defined, and during any renewal term of this Agreement. Licensee will bear all responsibility for the Station' compliance with all applicable provisions of the Act, and the rules, regulations, and policies of the FCC. Broker shall, upon request by Licensee, provide Licensee with such information concerning Broker's programs and advertising as is necessary to assist Licensee in the preparation of such lists and documentation or to enable Licensee to verify independently the Station' compliance with any laws, rules, regulations, or policies applicable to the Station' operation.

(b) It is hereby agreed that at a minimum, Licensee will employ one (1) person on a full-time basis in a management-level capacity at the main studios of the Station, and a second person on either a full-time or a part-time basis in either a management-level capacity or other capacity at the main studios of the Station who will direct the day-to-day operations of the Station and who will report to and be accountable to Licensee (provided, however, that any employment on a part-time basis of a second person shall not result in any interference or disruption to, or diminution of, such part-time employee's discharge of his or her duties to Licensee as a consequence of such employee's part-time employment by one (1) or more employers other than Licensee).

2.2 Provision of Programming. Subject to Licensee's control and supervision, Broker shall provide the Brokered Programming and shall be responsible for implementing its transmission by the Station, utilizing assets owned by Broker to the extent necessary. To the extent that Broker shall reasonably request the use of tangible assets of the Station, as listed in Exhibit 2.2, that are owned by Licensee in order to enable Broker to fulfill its obligations under this Agreement, Licensee shall make the use of such assets reasonably available to Broker at no cost to Broker. To the extent that Licensee shall reasonably request the use of assets owned by Broker in order to enable Licensee to produce or to broadcast Licensee Programming or other programming as provided in Sections 1.2 and 1.3 hereof, or to fulfill Licensee's obligations pursuant to Section 2.1 hereof, Broker shall make the use of such assets reasonably available to Licensee.

2.3 Station's Staffing.

(a) Subject to the provisions of Section 2.1 hereof, Licensee shall have sole discretion to make and to effectuate all staffing and personnel decisions involving Licensee's employees. Broker shall have no control or right of review whatsoever over any decision by Licensee to hire or to dismiss any employee of Licensee.

(b) Broker shall employ and shall be solely responsible for the salaries, taxes, insurance, and related costs of all personnel whose services shall be used in the sale of commercial advertising time and the production of the Brokered Programming (including salespeople, traffic personnel, board operators, and programming staff). Broker's employees shall be solely accountable to Broker. Licensee shall employ and shall be solely responsible for the Station's personnel necessary for the discharge by Licensee of their obligations under this Agreement, and Licensee shall be responsible for the salaries, taxes, insurance, and related costs of such personnel. Licensee's employees shall be solely accountable to Licensee.

(c) Broker agrees to provide Licensee such information as Licensee may request concerning Broker's recruitment, hiring, or employment practices in connection with Broker's provision of the Brokered Programming to the Station.

2.4 Station's Maintenance. Licensee hereby delegate to Broker, under the supervision and ultimate control of Licensee (and, in Licensee's absence, Licensee's employees), the duty to perform day-to-day maintenance of the Station's equipment used in connection with the broadcast

of the Station' program material. Broker shall retain responsibility for all repairs and replacements necessary in order to maintain the Station' equipment in good working order and repair.

ARTICLE III **FEES AND OTHER CONSIDERATION**

3.1 Fee. Broker shall pay Licensee a monthly payment of One Dollar (\$1.00) ("Broker's Fee"), due on each monthly anniversary of the commencement of this Agreement, and shall pay reimbursement of expenses as provided in Section 3.2 ("Expense Fee" or "Operating Expenses"). In the event that any month of the Term is less than a full calendar month, the monthly fee shall be prorated by the number of days in which this Agreement is in force and effect. The Broker's Fee shall be due only in the event that a Station is made available by Licensee to Broker for time brokerage purposes under this Agreement.

3.2 Licensee's Responsibilities and Operating Expenses. Licensee shall be responsible for, and pay in a timely manner, certain costs of operating the Station as provided in Schedule 3.2. As soon as possible at the end of each month, Licensee shall deliver to Broker an invoice of Operating Expenses for the previous month, supported where reasonably possible by copies of all invoices or other statements, which together constitute the invoice to Broker. Broker is responsible for reimbursing Licensee for the expenses of the Station identified in Schedule 3.2. No later than five (5) business days after delivery of the invoice, Broker shall remit the reimbursement to Licensee.

3.3 Adjustments.

Licensee may broadcast up to two (2) hours of advertising-free Licensee Programming per week, pursuant to Section 1.2 hereof, without any adjustment to the fee. If at any time during the term of this Agreement the Station shall fail to carry Brokered Programming for an amount of time for which Broker shall have offered such Brokered Programming for transmission by the Station, other than the two (2) hours per week specified in the preceding sentence and other than as provided in Section 1.3(d), the fee payable to Licensee by Broker shall be reduced by the pro-rata value (established by reference to Broker's Fee and the Expense Fee.)

ARTICLE IV **TERM**

4.1 Initial Term. The initial term of this Agreement for the Station shall commence on the date hereof and shall continue until May 1, 2013 (the "Initial Term"), unless earlier terminated as the result of the consummation of the sale of the Station from Licensee to Broker, or on the termination of the Asset Purchase Agreement entered into by and between the Licensee and Broker for the Station.

4.2 Events of Default; Termination.

4.2.1 Broker's Events of Default. The occurrence of any of the following will be deemed an Event of Default by Broker ("Event of Default") under this Agreement: (a) Broker fails to make timely payments as provided for in Article III of this Agreement; (b) Broker fails to observe or perform its other obligations contained in this Agreement in any material respect; or (c) Broker breaches the representations and warranties made by it under this Agreement in any material respect.

4.2.2 Licensee Events of Default. The occurrence of the following will be deemed an Event of Default by Licensee ("Event of Default") under this Agreement: (a) Licensee fail to observe or perform their obligations contained in this Agreement in any material respect; or (b) Licensee breach the representations and warranties made by them under this Agreement in any material respect.

4.2.3 Cure Period. Notwithstanding the foregoing, an Event of Default will not be deemed to have occurred until fifteen (15) days after the non-defaulting party has provided the defaulting party with written notice specifying the Event of Default and such Event of Default remains uncured.

4.2.4 Termination in the Event of Default.

(a) Upon the occurrence of an Event of Default, and in the absence of a timely cure pursuant to Section 4.2.3, the non-defaulting party may terminate this Agreement, effective immediately upon written notice to the defaulting party.

(b) If this Agreement is terminated, there shall be a final accounting of monies due but unpaid under this Agreement. In addition, Broker shall be entitled to all accounts receivable for the Station attributable to the Brokered Programming through the date of termination.

ARTICLE V

REGULATORY MATTERS

5.1 Renegotiation Upon FCC Action.

(a) If the FCC shall determine that this Agreement is inconsistent with Licensee' obligations as the holder of the FCC's authorization for the Station, or is otherwise contrary to FCC policies, rules, and regulations, or if regulatory or legislative action subsequent to the date hereof shall alter the permissibility of this Agreement under the Act or under the FCC's rules, regulations, and policies, the parties shall renegotiate this Agreement in good faith and shall modify this Agreement in a manner that will cure the departure from statute, rule, regulation, or policy and that will maintain a balance of benefits and burdens to Broker and Licensee comparable to the balance of benefits and burdens to Broker and Licensee provided in this Agreement in its current form.

(b) If, after such good-faith negotiations, either party shall determine that modifying this Agreement in order to cure the departure from statute, rule, regulation, or policy without

materially changing the balance of benefits and burdens to Licensee and Broker provided in this Agreement in its current form shall not be possible, either party may terminate this Agreement upon thirty (30) days' prior written notice to the other party.

(c) Such termination shall extinguish the rights and liabilities of Broker and Licensee under this Agreement from and after the effective date of such termination, other than rights and liabilities for pre-termination breaches of or defaults under this Agreement.

5.2 FCC Matters. Should a change in FCC policy or rules make it necessary to obtain the FCC's consent to the implementation, continuation, or further effectuation of any element of this Agreement, Licensee and Broker shall use their best efforts diligently to prepare, file, and prosecute before the FCC all petitions, waiver requests, applications, amendments, rulemaking comments, and other documents necessary to secure and/or to retain the FCC's approval of all aspects of this Agreement. Broker and Licensee shall bear in equal measure the reasonable cost of preparing any such filings; provided, however, that each party shall have approved such expenditures in advance of their being incurred. Notwithstanding anything in this Agreement to the contrary, no joint filing shall be made with the FCC by Licensee and Broker with respect to this Agreement, unless both parties hereto shall have reviewed said filing and shall have consented to its submission to the FCC; and neither Licensee nor Broker shall make any unilateral filing with the FCC with respect to this Agreement, unless the party intending to make such filing shall first have consulted with the other party concerning such filing.

ARTICLE VI

There is not now pending or, to Licensee's best knowledge, threatened, any action by the FCC or other party to revoke, cancel, suspend, refuse to renew or modify adversely any such licenses, permits or authorizations or the imposition of any restriction thereon of such a nature that may limit the operation of the Station.

Notwithstanding the foregoing, Broker will maintain at least \$1 million in liability limits covering injuries to individuals and broadcasters' perils. Broker shall provide proof of insurance to Licensee.

ARTICLE VII

7.1 Assignability. This Agreement shall inure to the benefit of and be binding upon Licensee, Broker, and their respective successors and permitted assigns; provided, however, that that Broker shall not assign or transfer its rights and benefits, or delegate its duties and obligations, under this Agreement without the prior written consent of the Licensee. Licensee may assign its rights on written notice to Broker.

7.2 Force Majeure. Notwithstanding anything contained in this Agreement to the contrary, neither party shall be liable to the other party for a failure to perform any obligation under this Agreement (nor shall any charges or payments be made in respect thereof), if such party shall be prevented from such performance by reason of fires, strikes, labor unrest, embargoes, civil commotion, rationing, or other orders or requirements, acts of civil or military authorities, acts of God, or other contingencies beyond the reasonable control of the parties, including equipment failures and the denial by the FCC of Licensee' applications to the FCC for the FCC's renewal of Licensee' FCC licenses for the Station; and all provisions herein requiring performance with a specified period shall be deemed to have been modified in order to toll or to extend the period in which such performance shall be required, in order to accommodate the period of the pendency of such contingency which shall prevent such performance.

7.5 Press Releases.
