The Greater Bowie Chamber of Commerce - Serving the business community since 1983!

The organization of choice for business advocacy in the greater Bowie community. The Greater Bowie Chamber of Commerce is made up of members with common interests and concerns related to the business environment in the greater Bowie area. Together we are the only professional trade organization in the greater Bowie area dedicated to the promotion, enhancement and protection of your livelihood.

President's Message

The Greater Bowie Chamber of Commerce is pleased to provide you with this Annual Business Directory. The directory is a valuable tool for businesses in the community, as well as residents and visitors. This publication contains information which will assist you with living and working in the community.

It has been my pleasure to be actively involved in our Chamber for over fourteen years. I look forward to serving as the Chamber President in the coming year. My father, Dan Melvin, was one of the first businesses in Bowie to join the Chamber nearly 30 years ago, and he served as the Chamber President from 1989 – 1990. The Bowie community has been home to our family-owned business for almost 60 years. We have seen the benefits of membership in this splendid organization since its inception. Being a board member of our Greater Bowie Chamber of Commerce has given me an appreciation for the variety of challenges that the Chamber, local businesses and our community faces. This year is no different, but we are ready to respond with yet another strong board of directors.

This organization offers its member businesses many benefits, opportunities and services to increase business contacts. We are an excellent resource and link to local, county and state officials regarding issues of concern to business. We provide service to the community with tourist information and maps, business referrals, and sponsorship of events.

President of the Greater Bowie Chamber of Commerce is a title that is thrilling to me. It is a title many people whom I greatly respect have held before me, including my own father. I appreciate their hard work and dedication to the Chamber. I am very encouraged that we will have a good year ahead. Our board is energized and talented and our administrative staff is second to none. I look forward to meeting you all at the variety of Chamber events and, perhaps, at your place of business this year.

Best Regards,
Mark Melvin
President

A Message From The Executive Director

The directory is a valuable tool for businesses in the community, as well as residents and visitors. We hope you will find it to be a valuable source of information about our community, as well as a useful reference in locating businesses and services.

YOUTH LEADERSHIP BOWIE

Youth Leadership Bowie is a unique program which exposes young people to the myriad of potential career opportunities available to them. Leadership opportunities both experiential and observational, as well as problem solving skills, are key components of year long program. Additionally, participants plan and produce a program that addresses a community needs.

Through site visits, lectures and informal discussions, participants learn how major decisions are made and who makes them. A special emphasis is placed on current issues. The team-building retreat allows participants to examine the concepts of leadership and interact as a group.

Youth Leadership Bowie accepts applications from students entering their sophomore or junior years in high school in September. Students must live in Bowie (defined as residing in ZIP codes 20715, 20716, 20720, or 20721) or attend Bowie High School.

We value your opinion as a parent and would like to solicit your input regarding the characteristics and traits you would like to see in our new school leader. To that end, we would appreciate your input on our brief leadership profile questionnaire, which is designed to assist us in making the best selection for principal for your school. Below is the link to our data gathering tool ("Survey Monkey"), which we hope you will complete.

We appreciate your support, insight and flexibility in completing the questionnaire by July 21st. Question 16 has an extended area to allow for additional comments or information.
