

Sankofa Youth Development Educational Program Exhibit

For question number 2 of section II of the low FM Application (Form 318)

Sankofa Youth Development is an Alabama community based non-profit tax exempt publicly supported organization founded to serve the cultural, educational, and emotional needs of program participants in the areas of:

- Low Self-esteem
- Lack of Self-awareness
- Juvenile Delinquency
- Adolescent Fatherhood
- Gang Violence
- Health Deterioration
- Substance Abuse
- Unemployment

Sankofa prepares youth intellectually and socially with a foundation that will afford them the opportunity for success in their personal lives and contribute to their collective input within their family and community.

Programming aired on the proposed low power FM station will be designed to help these same messages reach an even wider audience. Daily programs will be aired during the morning hours (6am to 10am) regarding the needs of youth development. During afternoon hours (3pm to 7pm) programs that encourage community involvement in training and guiding the youth. Further, additional programs dealing with culture, science, health and leadership will be addressed.
