Additional time for NEPA amendment

Dear Ms. Marshall:

This is in reference to your request that the Commission staff withhold action on the above referenced minor change application due to unanticipated delays in gathering local authority and NEPA information required for new tower construction for station WGIV.<sup>1</sup>

Your request indicated that an amendment would be filed when the information is complete. Your request is granted, and the staff will withhold action on BP-20190906AAU through **December 14, 2020**, or upon posting of the amendment in the Commission's database system.

Regards,

David Snavelly  
Electronics Engineer
