**Subject:** Program test authority for KNLT GRANTED (BLH-20151110APF)

Program test authority for KNLT to operate with the facilities authorized in construction permit BPH-20140812ACE IS GRANTED. KNLT may commence program test operations immediately.

This e-mail is being sent in place of a letter for the same purpose. The grant of program test authority will be recorded in the Commission's CDBS database. We will separately complete processing on license application BLH-20151110APF.
