

COMMUNITY OF LICENSE CHANGE – SECTION 307(b) SHOWING

By this Application, Galaxy Syracuse Licensee, LLC (hereinafter, “Galaxy”) seeks to make a minor change to the licensed facilities of Station WKRH(FM), Minetto, New York (Facility ID No. 56996) (“WKRH” or the “Station”) to, among other things, change the Station’s community of license from Minetto to Fair Haven, New York.

Galaxy hereby submits this showing regarding the merits under 47 U.S.C. §307(b) of licensing the Station to Fair Haven, a community to which no radio stations are currently licensed. Pursuant to 47 U.S.C. §307(b), the Commission will authorize the relocation of a facility to another community when doing so will “provide a fair, efficient and equitable distribution of radio service.” Grant of this application will achieve this goal by, among other things, providing a first local transmission service to the community of Fair Haven. Although WKRH is currently the only radio station licensed to Minetto, relocation of the Station will not deprive Minetto of its sole local transmission service, because Galaxy is simultaneously filing an application proposing the relocation of WTKV(FM) (Facility I.D. No. 24131) from Oswego, New York to Minetto.¹ In addition, Minetto will continue to receive more than 5 full-time aural reception services.

Fair Haven qualifies as a community under Section 307(b). The Commission has defined a “community” as a geographically identifiable population grouping.² It is sufficient that a proposed community of license be incorporated or listed in the U.S. Census to confer community status.³ The Village of Fair Haven is so recognized by the U.S. Census, and is therefore a census designated community. Fair Haven had 2010 U.S. Census population of 745 persons.⁴ Fair Haven also has its own residential, social and business characteristics.

Fair Haven has its own elected government, which consists of a Mayor, Vice Mayor and a Board of Trustees. Fair Haven also has a Clerk, Deputy Clerk, Planning Board, Zoning Board of Appeals, and Architectural Review and Beautification Committee. See Attachment A.

In addition, Fair Haven has its own Post Office and U.S. Postal Service Zip Code (13064). See Attachment B.

¹ Section 73.3517(e) of the FCC’s rules permits the filing of “contingently related” applications (i.e., applications where the grant of one is necessary to permit the grant of the other) by FM licensees and/or permittees.

² *Oak Grove, Florida*, 5 FCC Rd 3774 (1990).

³ *Id.*

⁴ U.S. Census Bureau, 2010 Census Interactive Population Search, New York – Fair Haven village.

Fair Haven has numerous businesses and commercial establishments within its borders, including the Fair Haven Motel, O'Connor's Main Street Pub, the Hardware Café, Bayview Wellness Center and Spa, Hair Haven, HanART Studios and Gallery, the Fly By Night Cookie Company, South Shore Artisans, Savannah Bank, Springbrook Greens Golf Course, Main Street Wine and Spirits, Screwy Louie's Sport Shop, Scott's Express Lane, Sun Harvest Realty, the Pleasant Beach Hotel, Little Sodus Inn on the Bay, Anchor Resort and Marina, and the Holiday Harbor Resort.

Fair Haven also has its own chamber of commerce (the Fair Haven Area Chamber of Commerce), *see* Attachment C, and public library (the Fair Haven Public Library), *see* Attachment D. Fair Haven is home to the Fair Haven Fire Department, Fair Haven Commemorative Park Foundation, Fair Haven Garden Club, and Fair Haven Fishing Association. The Fair Haven Community Church is located in Fair Haven. *See* Attachment E. Fair Haven Beach State Park provides numerous recreational opportunities to the residents of Fair Haven. *See* Attachment F.

There are no radio stations currently licensed to Fair Haven. As stated above, Minetto will continue to be served by full-service station WTKV(FM), when that station is relocated to Minetto pursuant to a minor modification application filed concurrently with the instant application. Relocating the Station to Fair Haven therefore will not deprive Minetto of full service local transmission service. Furthermore, as indicated in the included Technical Exhibit, Minetto will continue to be well served by more than five aural services.⁵

Given the attributes of Fair Haven as described herein, Section 307(b) plainly warrants granting that community its first transmission service under priority (3) of the FM allotment priorities applied by the Commission.⁶

Fair Haven is not located within an Urbanized Area, and the Station's proposed 70 dBu contour will not, and could not, provide service to any urbanized area. *Id.* Accordingly, an analysis of Fair Haven using the *Tuck* criteria is not required.⁷

⁵ *See e.g., Palmetto Communications Company*, 6 FCC Rcd 1527, 1529 (1991) (explaining that well-served reception areas are areas presently receiving at least five fulltime radio services).

⁶ The FM Allotment Priorities are (1) first full-time aural service; (2) second full-time aural service; (3) first local service; and (4) other public interest matters. Co-equal weight is given to priorities (2) and (3). *See Revision of FM Assignment Policies and Procedures, Second Report and Order*, 90 FCC 2d 88 (1982).

⁷ *Headland, Alabama and Chattahoochee, Florida*, 10 FCC Rcd 10352 (Mass Media Bureau 1995); *Morrow Bay and Oceano, California*, 21 FCC Rcd 5280 (Media Bureau 2006); *Allegan, Otsego and Mattawan, Michigan*, 21 FCC Rcd 5087 (Media Bureau 2006).

Conclusion

It is respectfully submitted that the provision of first local transmission service to Fair Haven, New York and the retention of licensed service at Minetto, New York, represents a preferential arrangement of allotments and fully satisfies the FCC's mandate under Section 307(b).

Fair Haven Beach Trails - OPEN year round

Fair Haven Beach State Park is located in upstate New York on the eastern portion of the Lake Ontario shoreline. It has one of the finest public lakefronts in upstate New York, with towering

shoreline bluffs, sandy beaches and adjoining hilly woodlands. The park features 1500 feet of beautiful sand beach including 600 feet of guarded swim area. Inland, Sterling Pond and Creek are centrally located amongst the geological transition between woods and water.

Campgrounds and cabin areas are nestled within the gently rolling woodlands. Fishing and boating opportunities are plentiful in Lake Ontario and the adjoining Little Sodus Bay. Visitors here also enjoy swimming and diving boards, biking, hiking, picnicking, and camping. Winter snowmobiling, snowshoeing, cross country skiing and ice fishing are very popular. Park facilities include two sandy beaches separated by a diving channel with two boards. Boat rentals include row boats, paddle boats, canoes and kayaks which are only for use on the inland Sterling Pond waterway.

Three separate campgrounds and a 30 unit cabin colony each contain a centralized restroom with showers. Two additional cabins and three cottages make up the self contained units available for reservation. Campgrounds consist of 46 electric sites and 138 non-electric sites. A ball field, hiking trail, camp store, concession, 5 picnic areas, 2 family picnic tent rentals and 2 shelters (one heated) are also offered as an attraction to patrons. With fantastic scenic views and an 18 hole golf course this makes for a unique and accomodating destination.

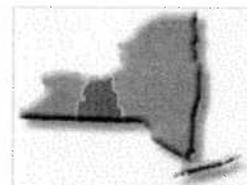

Pets

Household pets only; caged or on a leash not more than 6 feet. **Proof of rabies inoculation, accepted by certificate only, tags not accepted.** Pets are not allowed in bathing areas. For campers, if your site allows pets, there is a two-pet maximum.
