

STATEMENT REGARDING TRANSFER OF CONTROL

This application is being filed to request Commission consent to the transfer of control of Port Huron Family Radio, Inc. ("Port Huron"), the licensee of WGRT(FM), Port Huron, Michigan, as a result of the recent death of Avalon Peterson, a director and 49.5% owner of Port Huron.¹ Fifty percent of Ms. Peterson's ownership interest in the company will be transferred to Martin Doorn, the President, Director, and a 49.5% owner of Port Huron, and fifty percent of her ownership interest will be transferred to George Clark, a Director of Port Huron.²

A copy of the Clark/Doorn/Peterson Buy-Out Agreement effectuating this transfer is attached as part of Exhibit 6 hereto.³

Included below is a chart depicting the proposed new ownership of Port Huron.

¹ This change in ownership is reflected in the chart set forth in Section II, Question 4, Exhibit 5 of the instant application.

² Mr. Clark was appointed a Director of Port Huron in 1999, but has never held a voting interest in the company. Through an inadvertent oversight, Mr. Clark was not listed on the station's FCC Form 323 ownership filings.

³ At the time the agreement was executed, Port Huron was not represented by FCC counsel and was unaware of the need to file the agreement with the FCC. A copy of this agreement is being submitted to the FCC as a Section 73.3613 filing in order to correct this inadvertent oversight. A copy of the agreement will also be placed in the station's public inspection file.
