Re: WHLI (AM), Hempstead, New York
Facility Identification Number: 38337
Long Island Broadcasting, Inc.
Special Temporary Authority

Dear Counsel:

This is in reference to the request filed May 14, 2007, on behalf of Long Island Broadcasting, Inc. ("LJB"), for further extension of the special temporary authority ("STA") granted on May 13, 2005.¹ In support of the request, LJB states that the east tower in the WHLI array has been replaced and that an application for direct measurement of power has been filed.

Our review indicates that Application BZ-20060912AFE was granted on June 12, 2007. Thus, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
Audio Division
Media Bureau

cc: Long Island Broadcasting, Inc.

¹ WHLI is licensed for operation on 1100 kHz with 10 kilowatts, daytime hours only, employing a directional antenna (DA-D-D).
