

DELMARVA BROADCASTING COMPANY

WNCL FM Directional Antenna Installation

ENGINEERS CERTIFICATION

The Undersigned certifies that on August 14, 2017, the Electronics Research Inc. FM directional antenna associated with the WNCL FM (F.C.C. construction permit file number BPH-20160426AAF) was installed in a manner consistent with the manufacturer's instructions. He personally observed the placement and alignment of all parasitic and driven elements. He further asserts that he is employed as the Director of Technical Services for Delmarva Broadcasting Company. He is certified with the Society of Broadcast Engineers as a broadcast engineer. He has supervised and certified FM directional installations on previous occasions. He has overseen all technical operations for Delmarva Broadcasting Company for over 20 years.

Jeff B. Twilley

A handwritten signature in black ink that reads "Jeff B. Twilley". The signature is written in a cursive style with a large, prominent "J" and "T".
