

Location	K219DX Contribution	KTOL-FM Contribution	Spatial Average Average (% MPE General Public)
1	3%	198%	170% 175%
2	4%	83%	70% 70%
3	10%	91%	65% 65%
4	4%	88%	75% 70%
5	8%	69%	70%
6	8%	75%	70%

Note 1: All of the above contributions and spatial average results are shown as percent of the Maximum Permissible Exposure (MPE) for general public/uncontrolled.

Note 2: On the South side of the building, two spatial average readings were made at each location to verify accuracy of the measurements.

Note 3: All fractional meter readings were rounded up for this report.
