P.O. Box 220
West Frankfort, Illinois 62896
July 21, 2009

In evaluating the proposed conversion to digital for K08MM FID 57456, Channel 8 was found to cause lethal levels of interference to KFAZ-CA, FID 68406. A search was made and channel 7 (T) was identified as a displacement channel with acceptable coverage. After thorough searching, channel 7 was found to cause no lethal levels of interference to other stations. Thus, Three Angels Broadcasting Network respectfully requests that the Commission look favorably on this application.
