

Exhibit 17 - Statement D  
**CRITICAL HOURS ALLOCATION CONSIDERAIONS**  
prepared for  
**Global Radio, L.L.C.**  
WNWR(AM) Bala Cynwyd, PA  
1540 kHz 50 kW DA-D  
Facility ID 1027

*Global Radio, L.L.C.* (“*Global*”) proposes no changes in the daytime operation of WNWR as specified in BL-19940525AA other than the change in community of license to Bala Cynwyd, Pennsylvania. It is believed that WNWR continues to comply with the Commission’s Rules and policies regarding critical hours operation. Consequently, no studies of critical hours operation with respect to the cochannel, Class A facility of KXEL, Waterloo, Iowa are included herein.
