

Multiple Ownership

By this application, Connoisseur Media of Wichita, LLC (“Wichita”) seeks Commission consent to acquire the license of KTCM(FM), Kingman, Kansas, which is located outside of any Arbitron Radio Metro Market. Connoisseur Media, LLC, the direct corporate parent of Wichita, holds a construction permit for a new FM broadcast station on Channel 263 at Augusta, Kansas (FIN-164106), however, as demonstrated by the attached map, the contours of KTCM and the new FM station at Augusta do not overlap. Accordingly, Wichita’s proposed ownership of a single FM station in the market complies with the Commission’s multiple ownership rules. *See* 47 C.F.R. § 73.3555(a). Furthermore, it is noted that the new station on Channel 263 at Augusta, Kansas is located in the Wichita, Kansas Arbitron Radio Metro Market, which has at least thirty full-power radio stations according to BIA Media Access Pro 4.0. Pursuant to Section 73.3555(a) of the Commission’s Rules, a single entity may own, operate, or control up to six radio stations (not more than four of which may be in the same service) in a market of this size. Once again, Connoisseur Media, LLC’s ownership of a single station in that market complies with the Commission’s multiple ownership rules.
