Re: KCNC-TV, Denver, Colorado
File No. BRCT-20051201BQG
Facility ID No. 47903

Dear Petitioner/Licensee:

Petitioner Bob McIntosh filed a petition to deny opposing the license renewal of Station KCNC-TV, licensed to CBS Television Stations, Inc. ("Licensee"). For the reasons set forth below, we deny the petition to deny.

Petitioner contends that the license renewal application for KCNC-TV should not be renewed until indecency complaints against the station are adjudicated.

Section 309(k)(1) of the Communications Act of 1934 (the "Act") states that the Commission shall grant a license renewal application if it finds, with respect to that station, that (a) the station has served the public interest, convenience, and necessity; (b) there have been no serious violations of the Communications Act or Commission rules and regulations; and (c) there have been no other violations by the licensee of this Act or the rules or regulations of the Commission which, taken together, would constitute a pattern of abuse.¹ With respect to whether grant will serve the public interest, the Commission will designate a hearing pursuant to Section 309(d)(1) of the Act if (a) the petitioner provides specific allegations of fact sufficient to show that such a grant would be prima facie inconsistent with the public interest;² and (b) the allegations, taken together with any opposing evidence before the Commission, raise a substantial and material question of fact as to whether grant would serve the public interest.³

With respect to the indecency allegation, we do not rule on the merits of Petitioner's allegation but have reviewed the facts presented in the petition and conclude that, even if a violation were adjudicated, any such violation would not justify denial or designation of the license renewal application or demonstrate a pattern of non-compliant behavior.⁴

appeal of a decision it considered unlawful would call into question its fitness to serve as a Commission licensee is entirely without merit.
