### KNBA FM HD POWER INCREASE REQUEST

Koahnic Broadcast Corporation request Special Temporary Authority to increase the power of KNBA-FM HD from the present -20 dbc to -14dbc pursuant to MM Docket 99-325.

The technical contact information for KNBA FM is as follows:

Charles Sather

Office Phone: 907-793-3500

KNBA-FM uses a high level combiner and a single 8-bay antenna.

The analog transmitter power output is 30kw producing an analog ERP of 100kw. The digital transmitter output is currently 300w producing a digital ERP of 1kw. The proposed operation will increase the digital output to 1.2kw increasing the digital ERP to 4kw.

Koahnic Broadcast Corporation certifies that, with the exception of the digital power level requested, the proposed digital operation will comply with the technical specifications set forth in Appendix B of the First Report and Order in MM Docket No. 99-325.
