Re: NEW(FM); Pearl River, LA  
New Horizon Christian Fellowship  
Facility ID No. 175764  
FCC File No. BNPED-20071022BAN

Dear Ms Dortch:

On August 20, 2009, our client, New Horizon Christian Fellowship ("NHCF"), the tentative selectee for NEW(FM) on channel 204 at Pearl River, LA, received a letter from Dale E. Bickel, Senior Engineer, Audio Division, Media Bureau, requesting amendment and clarification of certain parameters in the captioned application. NHCF has recently engaged a new consulting engineer to assist with the captioned application and is working diligently to respond to Mr. Bickel's inquiries.

To allow the new consulting engineer sufficient time to become familiar with the captioned application and to analyze NHCF's options, NHCF respectfully requests an extension of time through October 20, 2009 to respond to Mr. Bickel's letter.

Should you have any questions regarding this matter, please do not hesitate to contact the undersigned.

Respectfully submitted,

  
Matthew L. Gibson
