Radio Alerta, incorporated in 2001, is a non-profit, educational organization which was chartered in the state of New Jersey. Seventy-five percent of the board members for Radio Alerta reside within 10 miles of the transmitter site.

The proposed station will furnish a non-profit, educational broadcast service for the advancement of educational programs for the community. The station plans to transmit educational, cultural and entertainment programs to the public, with a variety of educational objectives, such as:

(1) To provide educational and religious instruction, and moral teaching;

(2) To provide the opportunity for and to promote informative discussion and debate in areas pertaining to contemporary social and religious issues, as well as citizenship and its responsibilities;

(3) To provide solutions to community problems such as drug and alcohol abuse, pornography and indecency, the breakdown of the family unit, crime, the economy, the environment and education, and;

(4) To teach citizenship, patriotism, peaceful conflict resolution, and family life enhancement.

Radio Alerta will provide a number of regular features and programs that advance its various educational objectives, such as:
