RE: Notification of Reduced Power Operation for **KOOL-FM**, Fac. ID.
13506

To Whom It May Concern:

Pursuant to §73.1560(d) of the Commission's rules, this is to notify the Commission, on behalf of CBS Radio Stations Inc., licensee of KOOL-FM, Phoenix, AZ, that the station is operating at reduced Power.

The station is replacing the main transmitter with a new multi cabinet unit. During the replacement period it is necessary to operate at 50% power while the new equipment is phased in.

It is anticipated that reduced power operation will exceed 10 days. If it is determined that reduced power will exceed 30 days, the licensee will prepare and file an application for Special Temporary Authority for continued operation at reduced power.

Please contact the undersigned if you have any questions.

Sincerely,

Edwin L. Nass, Director of Spectrum Management
