Mr. Phil Colombo  
General Manager  
Station KBVM  
P.O. Box 5888  
Portland, Oregon 97228-5888

Dear Mr. Colombo

Having reviewed the information you supplied it appears that any potential interference to KOIN-TV from the changes to the FM station proposed by the KBVM (FM) located at Portland, OR operating on channel 202 (88.3 MHz) with an Effective Radiated Power of 3.5 kW should be minimal. However, since a possibility does exist KOIN will ask that you agree to comply with the following conditions:

- 1) KBVM agrees to remedy interference to KOIN-TV Channel 6 users by providing a suitable notch filter, such as that produced by Microwave Filter Company or the equivalent, to remove the interfering signal;
- 2) KBVM will notify KOIN-TV, of the person KOIN-TV, Inc. may contact should it receive any complaints from viewers of interference to KOIN-TV channel 6;

KBVM will provide KOIN-TV with copies of any reception complaints it receives along with a description of the corrective action taken;

This agreement applies only to the particular application with which is if first submitted and any future changes in the operating parameters of the station will require a new letter of agreement between KOIN-TV and KBVM.

KOIN-TV has a long and successful history of cooperation with users of the non-commercial FM community and looks forward to a similar level of cooperation with KBVM. Please return a signed copy of this letter as your understanding and acceptance of these conditions.

Sincerely,

  
Phil Colombo, Director of Engineering

On behalf of: KOIN-TV
