

Exhibit E-6

The main studio for KXMD-DT is located within the community of license. It should be noted that the facility is operated as a satellite station of KXMC at Minot, North Dakota. While the programming originates from KXMC at Minot, local advertisements and announcements pertinent to the Williston vicinity are inserted at the KXMD studios. It is therefore respectfully submitted that the studio for the facility is in compliance with the provisions of Section 73.1125 of the Commission's Rules.
