

**In order to complete the FCC's low-power FM radio application, each applying non-profit's board must fulfill a set of requirements. To make sure these requirements are met, each board member must truthfully answer the following statements.**

**X** if true statement

**X** I do not control another broadcast license, a daily newspaper, or a cable television system.

**X** I am a US citizen. (80% of the board must be a US citizen)

**X** I have no immediate family members (parents, siblings, children, or spouses) who control other broadcast stations or daily newspapers in the area.

**X** I have no character issues which were unresolved or resolved adversely in other broadcast application proceedings.

**X** I have not been found guilty of any of the following: felony, mass-media related anti-trust or unfair competition, fraudulent statements to other governmental units, or discrimination.

**X** I have no drug convictions that have led to the denial of federal benefits.

**X** I have never engaged in the unlicensed operation of a radio station.
