EXHIBIT NO. 4 FCC Form 314 Section II, Paragraph 4

Assignor LIN Television Corporation ("LIN TV"), licensee of television station WNAC-TV, Providence, Rhode Island (73311), is placing in the public inspection file of the station, and the parties are submitting with this application, a copy of the following agreements:¹

- Asset Purchase Agreement, dated as of January 25, 2002, between LIN TV ("Seller" and the Assignor under this application) and Super Towers, Inc. ("Super Towers" or "Buyer"); 2 and
- Assignment and Assumption Agreement ("Assignment and Assumption"), dated as of [Closing Date of instant transaction] ("Closing"), among Smith Acquisition Company ("SAC"), Smith Acquisition License Company ("SAC Licensee", together with SAC, "Smith"), STC Broadcasting, Inc. ("STCB"), and STC License Company ("STC Licensee", together with STCB, "STC"), LIN TV, Super Towers and WNAC, LLC (a subsidiary of Super Towers and the Assignee under the instant application).

The schedules and exhibits to the agreements are not included but they will be provided to the FCC on request.

Under the Asset Purchase Agreement, Buyer may assign its rights to acquire WNAC-TV to its subsidiary WNAC LLC.

Under the Assignment and Assumption, which will be executed at the Closing following FCC grant of the instant application, LIN TV will assign to Super Towers (or its subsidiary WNAC, LLC) all of its rights, interests and obligations (a) with respect to certain put option rights relating to WNAC-TV under Sections 1.9 and 1.10 of the Asset Purchase Agreement , dated as of January 31, 2001 ("2001 APA"), among SAC Licensee, Smith Acquisition Company ("SAC"), SAC Licensee, STC Broadcasting, Inc. ("STCB") and STC License Company ("STC Licensee," the current licensee of WPRI-TV, Providence, Rhode Island) (SAC, STCB and STC Licensee being entities under common control with SAC Licensee) and LIN TV; (b) with respect to a June 10, 1996 Joint Marketing and Promotion Agreement ("LMA") with the owner of WPRI-TV; and (c) with respect to a June 5, 2001 nonnegotiable promissory note ("Promissory Note") between LIN TV and STCB issued pursuant to the Loan Agreement dated as of January 31, 2001, between STCB and LIN TV ("Loan Agreement"). For the convenience of the FCC staff, we note that the staff considered the 2001 APA, the LMA and the Loan Agreement in connection with the FCC's processing and then May 30, 2001 grants of the FCC Form 314 application for consent to assign the license of WNAC-TV from Smith Acquisition License Company to LIN TV (BALCT-20010202ABC) and of the FCC Form 314 application for consent to assign the license of WPRI-TV from Clear Channel Broadcasting Licenses, Inc., to STC License Company (an entity under common control with Smith Acquisition License Company) (BALCT-20001113ABH).

LIN TV, as licensee of WNAC-TV, receives advertising and programming services under the LMA. Under the Assignment and Assumption and pursuant to FCC policy, LIN TV, at the Closing, will assign its rights and obligations under the June 1996 grandfathered LMA (the terms and conditions of which are not being altered) to Super Towers (or its subsidiary WNAC, LLC). *E.g., Review of the Commission's Regulations Governing Television Broadcasting; Television Satellite Stations Review of Policy and Rules*, 14 FCC Rcd 12903, 12965 (1999) (allowing grandfathered pre-November 5, 1996 LMAs to "be transferred and renewed" subject to the FCC's 2004 biennial review). The FCC most recently passed on the continued grandfathered (continued...)

status of the LMA in granting, on May 30, 2001, the assignment of WNAC-TV to LIN TV (BALCT-20010202ABC) and the assignment of WPRI-TV to STC License Company (BALCT-20001113ABH). As noted above, the terms and conditions of the LMA are not being altered. Thus, following grant of the instant application, WNAC-TV, as in the past, will continue to receive advertising and programming services under the terms and conditions of the existing grandfathered LMA.
