

## Permission to File Modification Application

Presently pending before the FCC is an application for consent to the assignment of FM Translator W243BD, Facility Id. No. 146885, Beechwood, Michigan, from First Ventures Capital Partners, Inc. ("First Ventures") to Lanser Broadcasting Corporation ("Lanser"). See BALFT-20120216AEJ.

In connection with the proposed assignment, First Ventures gives Lanser permission to file in its own name and at its sole expense an application for a construction permit to modify W243BD. Any construction permit issued pursuant to such an application will be conditioned on the consummation of the proposed assignment of W243BD. If for any reason such consummation does not take place, the construction permit will be cancelled.

Signed March 2, 2012.
