Ladies and Gentlemen:

Fort Myers Broadcasting Company, licensee of WINK(AM), Pine Island Center, Florida has been operating with Special Temporary Authority to compensate for Cuban interference.

The Cuban operations were monitored in the Florida Keys on May 15, 2010 and they continue to be a source of interference to WINK.

Continued Special Temporary Authority will help overcome the interference to the WINK service area.

Sincerely yours,

James M. Johnson  
Engineering Consultant for  
Fort Myers Broadcasting Company
