

## CONTINGENT APPLICATIONS NARRATIVE

Clear Channel Broadcasting Licenses, Inc. ("Clear Channel"), licensee of Stations WJBT(FM), Callahan, Florida and WPLA(FM), Jacksonville, Florida, and Aloha Station Trust, LLC ("Aloha Trust"), licensee of Station WROO(FM), Green Cove Springs, Florida, are filing the following three contingent applications pursuant to Section 73.3517(e) of the Commission's Rules:

- Clear Channel will file an application to change the class of channel of Station WJBT from Channel 227C2 to Channel 227C1 (the "WJBT Application").
- Aloha Trust will file an application to change the community of license of WROO from Green Cove Springs to Beverly Beach, Florida (the "WROO Application").
- Clear Channel will file an application to change the community of license of WPLA from Jacksonville to Green Cove Springs, Florida (the "WPLA Application").

The WJBT Application is contingent on grant of the WROO Application. The WROO Application is contingent on grant of the WPLA Application. The applications are not otherwise contingent.

Because WJBT and WPLA are commonly-owned, there is no need for an agreement to coordinate the filing, prosecution, and implementation of the WJBT and WROO Applications. Regarding WROO, Aloha Trust hereby certifies that it will prosecute and implement the WROO Application.

IN WITNESS WHEREOF, on this 14th day of October, 2008, the parties hereto have caused this Memorandum to be executed.
