Attn: John Barger  
8023 Vantage Road, Suite 840  
San Antonio, TX 78230

Dear Mr. Barger,

This is to certify that I have surveyed the KBAR antenna as installed on the tower. I found the antenna to agree with the manufacturer's specification of 267 degrees True North.

GARRY T. ALLEN, RPLS 5401  
Field Surveyed May 25, 2009
