

Gilbert's Broadcast Services, LLC

Certification Statement of Antenna Installation:

This is to certify the installation of the ERI directional antenna for KQXI, model number LP-2E-DA-HW, was installed in accordance with the manufacture's detailed instructions and drawings. The orientation of the antenna was confirmed by a WA state certified surveyor to be on bearing within one degree of North of 335 degrees.

All work was performed under my direct supervision and all work performed was by qualified personnel using good engineering practices. All representations contained herein are true to the best of my knowledge. I am an experienced radio engineer whose qualifications are a matter of record with the Federal Communications Commission. I am currently listed with the Society of Broadcast Engineers and the IEEE.

Signed this 27th day of February 2013

Michael H. Gilbert
