To Whom It May Concern,

The undersigned has been in the tower and antenna business as Mikab Corporation for thirty-one years. As such, I have installed or supervised the installation of approximately fifty high power, medium power and educational FM broadcast antenna systems. I am also the Vice President of L&W Engineering located in Dumont, NJ.

This affidavit is to certify that the directional antenna referenced in FCC Permits No. BXPB-20001011AAM, BXPB-20001011AAN, BXPB-20001011AAX were installed exactly as specified by the manufacturer, at the specified latitude and longitude, and at the specified elevation.

Very truly yours,

Wesley R. Weis, VP
