Condition 5 Certification

This is in respect to condition 5 regarding AM station WEZE, Boston MA (Facility ID No. 3594).

The facilities authorized and constructed do not result in a significant modification of the existing tower as defined in Section 1.30002(d) of the Commission's Rules. The physical height has not changed by 5 electrical degrees or more at the AM frequency and the tower is not detuned at the AM frequency or base insulated. Therefore the requirements of this condition have been met.

A handwritten signature in black ink, appearing to read "Michael C. Guidotti".
