Dear Applicant:

Within 30 days from the date of this letter, file an amendment to resolve the deficiencies that were discovered during the initial review of your application. Amendments must be filed electronically. Failure to amend your application will result in the dismissal of the application.

Specifically, the protected contour of the above referenced proposed facility does not overlap with the protected contour of the existing new digital construction permit file number BNPDTL-20090825AMH. Also, the proposed site relocation is 35.1 miles which exceeds Commission's 30 mile rule limitations.
