Request For Extension Of Time

Trignition Media LLC, by its attorney, and pursuant to Section 1.46 of the Commission's rules, hereby respectfully requests an extension of time to respond to the "Informal Objection" to the above-referenced application for a minor change in facilities for WRYM(AM0, New Britain, Connecticut filed by Carter Broadcasting Corporation, licensee of WCRN (AM), Worcester, Massachusetts ("Carter"). In support thereof the following is shown:

1. The sole basis of the Informal Objection is engineering in nature. Trignation's engineer has been ill and extremely busy with other matters. The engineering analysis is complicated and involves AM licenses filed in the 1990's. The "Opposition" would pursuant to the rules be due on September 6, 2022. Therefore, Trignation respectfully requests a two week of extension of time until September 20, 2022 in which to respond to the Informal Objection. Carter has agreed to the instant request.

WHEREFORE, Trignation Media LLC respectfully requests that the Commission grant its Request for Extension of Time until September 20, 2022.

Respectfully submitted,
Trignation Media LLC
