RE: W262BP – 155456 Dunnellon, Florida

To Whom It May Concern;

With regards to FM translator W262BP – 155456 Dunnellon, Florida, Reach Communications is requesting Special temporary authorizations (STA) in accordance with 73.1635. Operations were suspended on August 31, 2007 because the tower site did not pass a TIA 222 Rev G structural analysis and the 2004 Florida Building Code. Significant modifications would be required to bring the tower site into compliance. In light of this, Reach Communications filed to modify the site location on August 29, 2007 (BPFT-20070829ABC).

If you have any questions concerning this matter, please feel free to contact me via email: [ched@reachfm.org](mailto:ched@reachfm.org) or via telephone: 954-556-4635.

Sincerely
