(i) Seller will be allocated all obligations to make cash payments of license and usage fees pursuant to any Contract for Program Rights ("Program Payments") that first become due and payable under the terms of such Contract for Program Rights prior to the first day of the applicable payment period that includes the Closing Date;

(ii) Purchaser will be allocated all obligations to make Program Payments that first become due and payable under the terms of any applicable Contract for Program Rights after the last day of the applicable payment period that includes the Closing Date; and

(iii) with respect to Program Payments that first become due and payable under the terms of any applicable Contract for Program Rights during the applicable payment period that includes the Closing Date: (A) Seller will be allocated all obligations to make a portion of each such Program Payment that is equal to a fraction, the numerator of which is the number of days (if any) during such applicable payment period that are prior to the Closing Date and the denominator of which is the total number of days during such applicable payment period, and (B) Purchaser will be allocated obligations to make the remaining portion of such Program Payments.

(c) Billing and Collection of Station's Receivables.

(i) As of the Closing Date, Seller appoints Purchaser as Seller's agent, without compensation but without liability except for fraud or willful misconduct, to collect the Accounts Receivable for Seller's account. Purchaser shall issue invoices (in

accordance with Purchaser's standard billing procedures) for time sold and provided on the Station prior to the Effective Time, and remit to Seller all amounts collected in respect of Accounts Receivable as follows: (a) on or before the twentieth (20th) day of the first (1st) complete calendar month after the Closing Date, Purchaser shall pay all amounts collected after the Effective Time and up to the end of the prior month; and (b) on or before the twentieth (20th) day of each succeeding month, pay all amounts collected during the month prior thereto. With each remittance, Purchaser shall furnish a statement of the amounts collected, the Persons from whom such amounts were collected and the invoice numbers of the invoices to which such amounts relate to the extent specified by the related debtors. Purchaser shall apply all amounts it receives from or for the benefit of any Account Receivable debtor first to pay the oldest undisputed Accounts Receivable of such debtor before applying any of such amounts to pay any obligation of such debtor to Purchaser arising during, or otherwise attributable to, the period after the Closing Date unless the remittance or an Account Receivable debtor specifies otherwise (in which case, Purchaser will apply the amount in question as so specified).

(ii) Purchaser's agency to collect the Accounts Receivable shall expire as of 11:59 p.m., Wichita, Kansas time, on the one hundred eightieth (180th) day following the Closing Date (or, if such date is not a Business Day, then on the Business Day thereafter). Within fifteen (15) Business Days thereafter, Purchaser shall pay to Seller all amounts collected in respect of the Accounts Receivable from the Closing Date until the date thereof not previously remitted. During such 180-day period, Purchaser shall use commercially reasonable collection efforts to collect the Accounts Receivable, but shall not be required to institute any legal proceedings to collect the Accounts Receivable or to otherwise incur any cost or obligation in respect thereof other than in the ordinary course of business. Upon expiration of the agency, Purchaser shall assign all Accounts Receivable that have not been collected or received to Seller for Seller's collection and the parties expressly agree that Purchaser shall have no further obligation whatsoever with respect to any such assigned Accounts Receivable (except to pay Seller any additional money that Purchaser receives from any Person with respect to any such assigned Accounts Receivable after the date of such remittance to Seller and to otherwise cooperate with Seller for the purpose of Seller's collecting any outstanding Accounts Receivable).

2.5 Adjustment Procedures. The adjustments specified in Sections 2.4 shall be determined in accordance with the following procedures:

(a) Estimate for Closing. Seller shall, no later than three (3) Business Days prior to the scheduled Closing Date, prepare and deliver to Purchaser a good faith estimate of the prorations and adjustments that are required in order to give effect to Section 2.4 (the "Prorations"). No payment of the Prorations shall be made at Closing.

(b) Post-Closing Adjustment.

(i) As promptly as possible after the Closing, but in any event not later than ninety (90) days after the Closing Date, Purchaser shall deliver to Seller a statement setting forth Purchaser's determination of the Prorations. In connection with

Seller's review of such determination, Purchaser will furnish Seller with such information as may be reasonably requested by Seller. If Seller disputes the amount of the Prorations determined by Purchaser, Seller shall deliver to Purchaser within thirty (30) days after Seller's receipt of Purchaser's statement, a statement setting forth Seller's determination of the Prorations. If Seller notifies Purchaser of its acceptance of Purchaser's statement, or if Seller fails to deliver its statement within the period specified in the preceding sentence, Purchaser's determination of the Prorations shall be conclusive and binding on the parties as of the last day of the thirty (30) day period.

(ii) Seller and Purchaser shall use good faith efforts to resolve any dispute involving the determination of the Prorations. If the parties do not resolve the dispute within thirty (30) days following the delivery of Seller's statement pursuant to Section 2.5(b), Seller and Purchaser shall jointly designate the Independent Accounting Firm to resolve the dispute. The Independent Accounting Firm's resolution of the dispute shall be final and binding on the parties, and a judgment may be entered thereon in any court of competent jurisdiction. Any fees of the Independent Accounting Firm incurred under this Section 2.5(b)(ii) shall be split equally between Seller on one hand and Purchaser on the other hand.

(iii) Final settlement of the Prorations, in cash, will be made no later than the fifth (5th) Business Day after the value of the Prorations are finally determined pursuant to this Section 2.5. If the Purchaser owes money to the Seller as part of the Prorations, then the Purchaser shall pay the Seller the such amount, and, if the Purchaser owes money to the Seller per the Prorations a, then the Seller shall pay such amount to the Purchaser.

2.6 [Intentionally Omitted].

2.7 Multi-Station Contracts. The rights of each Other Seller Station with respect to such Multi-Station Contract and the obligations of each Other Seller Station to such Multi-Station Contract shall not be assigned to and assumed by Purchaser (and shall be excluded from the Assets and shall be an Excluded Liabilities, as the case may be). For purposes hereof, "Multi-Station Contract" means each Business Contract designated as a "Multi-Station Contract" on Schedule 4.5. Subject to the provisions of this Section 2.7, to the extent that a Multi-Station Contract expressly permits the assignment of the rights and obligations of the Station (and not the Other Seller Stations) or the third party to such Multi-Station Contract consents to the assignment of rights and obligations of the Station (and not the Other Seller Stations), the Assets shall include those rights to the extent relating to the Station to the extent attributable to the period at or after the Effective Time under a Multi-Station Contract, subject to the terms and conditions of such Multi-Station Contract (such rights, the "Multi-Station Contract Rights"), and the Assumed Liabilities shall include those obligations to the extent relating to the Station to the extent attributable to the period at or after the Effective Time under a Multi-Station Contract, subject to the terms and conditions of each such Multi-Station Contract (such obligations, the "Multi-Station Contract Obligations"). Subject to the provisions of this Section 2.7, to the extent that a Multi-Station Contract does not expressly permit the assignment of the rights and obligations of the Station (and not the Other Seller Stations) or the third-party consent is not so obtained, the Multi-Station Contract Obligations shall only include those obligations to the

extent relating to the Station to the extent attributable to the period at or after the Effective Time under a Multi-Station Contract to the extent that the corresponding Multi-Station Contract Rights are received by Purchaser. All rights and obligations that arise under a Multi-Station Contract other than the Multi-Station Contract Rights and the Multi-Station Contract Obligations shall in all cases be excluded from the Assets and shall be an Excluded Liabilities, as applicable. Subject to any applicable third-party consents, authorizations, approvals, waivers or notices, such assignment of the Multi-Station Contract Rights and the Multi-Station Contract Obligations shall be effectuated, at the election of the Seller, by termination of the Multi-Station Contract in its entirety and the execution of new contracts (with terms no less favorable to Purchaser, and a term not longer, than the current Multi-Station Contract, in all material respects) or by an assignment to and assumption by Purchaser of the Multi-Station Contract Rights and the Multi-Station Contract Obligations under such Multi-Station Contract. The parties shall use commercially reasonable efforts to obtain any such new contracts or assignments to, and assumptions by, Purchaser in accordance with this Section 2.7 and Section 3.5. Unless requested in writing by Purchaser, Seller shall take all actions required by the terms of each Multi-Station Contract that is not a retransmission agreement to prevent the automatic renewal of such Multi-Station Contract solely with respect to the Station. If a Multi-Station Contract that is a retransmission agreement is anticipated in good faith by Seller and Purchaser to expire or terminate prior to the Closing Date, Seller and Purchaser shall use commercially reasonable efforts to renew the Multi-Station Contract Rights and the Multi-Station Contract Obligations with respect to each such Multi-Station Contract or enter into a new contract on terms reasonably acceptable to Purchaser solely with respect to the Station.

3.5 Assignment of Business Contracts and Business Licenses. To the extent that the transfer or assignment hereunder by the Seller to the Purchaser of any Business Contract or Business License is not permitted or is not permitted without the consent or approval of another Person, any such Business Contract or Business License shall not be assigned by the Seller to Purchaser at Closing if such consent or approval is not given or obtained by the Closing or if such agreement at Closing otherwise would constitute a breach thereof or constitute a loss of benefits thereunder. The Seller and the Purchaser shall use their commercially reasonable efforts to obtain any and all such third party consents or approvals under all Business Contracts or Business License; provided, however, that neither the Seller nor the Purchaser shall be required to pay or incur any cost or expense to obtain any third-party consent or approval that it is not otherwise required to pay or incur in accordance with the terms of the applicable Business Contract or Business License, except for usual and customary legal fees and expenses. If any such third-party consent or approval for the assignment or transfer of a Business Contract or Business License is not obtained before the Closing, the Seller shall cooperate with the Purchaser in any reasonable arrangement designed to provide for the Purchaser after the Closing the benefits intended to be assigned to the Purchaser under the applicable Business Contract or Business License, including enforcement at the cost and for the account of the Purchaser of any and all rights of the Seller against the other party thereto arising out of the breach thereof by such other party or otherwise; provided, that the Purchaser shall (i) undertake to pay or satisfy the

corresponding Liabilities for the enjoyment of such benefit to the extent that the Purchaser would have been responsible therefor hereunder if such consent, waiver or approval had been obtained and (ii) indemnify and hold harmless the Seller and its Affiliates for any costs, expenses or Liabilities (including legal fees and expenses) incurred by them in connection with the enforcement of such Business Contract at the request of the Purchaser. To the Knowledge of Seller, there are no proceedings pending pursuant to which Seller is or could be made liable for any taxes, penalties, interest, or other charges, the liability for which could extend to Purchaser as transferee of the Assets or as operator of the Station following the Closing.

ARTICLE V.
REPRESENTATIONS AND WARRANTIES OF THE PURCHASER

The Purchaser hereby represents and warrants to the Seller as follows:

5.1 Organization. The Purchaser is duly formed, validly existing and in good standing under the Laws of the State of Virginia.

5.2 Authority. The Purchaser has all requisite limited liability company power and authority to enter into and deliver this Agreement and the Operative Agreements to which it is a party, to perform its obligations hereunder and thereunder, to consummate the Transactions, and to assume and perform the Assumed Liabilities. The execution and delivery by the Purchaser of this Agreement and the Operative Agreements to which it is a party, the performance by the Purchaser of its obligations hereunder and thereunder, the consummation by the Purchaser of the Transactions, and the assumption and performance of the Assumed Liabilities, have been duly authorized by all necessary requisite limited liability company action on the part of the Purchaser. This Agreement has been, and the Operative Agreements to which the Purchaser is a party shall be, duly executed and delivered by the Purchaser. Assuming the due authorization, execution and delivery of this Agreement and the Operative Agreements by the Seller, this Agreement constitutes, and each of the Operative Agreements to which the Purchaser is a party (when so executed and delivered) will constitute, a legal, valid and binding obligation of the Purchaser, enforceable against the Purchaser in accordance with its terms, except as such enforceability may be limited by the Enforceability Exceptions.

5.3 No Violation; Third Party Consents. Assuming that all consents, waivers, approvals, orders and authorizations described in Section 5.4 hereto have been obtained and all registrations, qualifications, designations, declarations or filings with any Governmental Authorities described in Section 5.4 hereto have been made, the execution and delivery by the Purchaser of this Agreement and the Operative Agreements to which it is a party, the performance by the Purchaser of its obligations hereunder and thereunder, the consummation by the Purchaser of the Transactions, and the assumption and performance of the Assumed Liabilities, will not conflict with or violate, constitute a default (or event which with the giving of notice or lapse of time, or both, would become a default) under, give rise to any right of termination, amendment, modification, acceleration or cancellation of any obligation or loss of any benefit under, result in the creation of any Encumbrance other than a Permitted Encumbrance on any of the assets or properties of the Purchaser pursuant to, or require the Purchaser to obtain any consent, waiver, approval or action of, make any filing with, or give any notice to any Person as a result or under, the terms or provisions of (i) the organizational documents of the Purchaser, (ii) any Contract to which the Purchaser is a party or is bound, or (iii) any Law applicable to the Purchaser, or any Governmental Order issued by a Governmental Authority by which the Purchaser is in any way bound or obligated, except, in the case of clauses (ii) and (iii) of this Section 5.3, as would not have a Material Adverse Effect on the ability of the Purchaser to perform its obligations under this Agreement and the Operative Agreements to which it is a party, to assume and perform the Assumed Liabilities or to consummate on a timely basis the Transactions.

5.4 Governmental Consents. No consent, waiver, approval, order or authorization of, or registration, qualification, designation, declaration or filing with, any Governmental Authority is required on the part of the Purchaser in connection with the execution and delivery by the Purchaser of this Agreement and the Operative Agreements to which it is a party, the performance by the Purchaser of its obligations hereunder and thereunder, the consummation by the Purchaser of the Transactions, the assumption and performance of the Assumed Liabilities, except (i) the FCC Consent and (ii) where the failure to obtain such consent, waiver, approval, order or authorization, or to make such registration, qualification, designation, declaration or filing, would not, individually or in the aggregate, have a Material Adverse Effect on the ability of the Purchaser to perform its obligations under this Agreement, the Operative Agreements to which it is a party, to assume and perform the Assumed Liabilities or to consummate on a timely basis the Transactions.

5.5 Litigation. There are no pending or, to the knowledge of the Purchaser, threatened Actions by any Person or Governmental Authority against or relating to the Purchaser (or any Affiliate of the Purchaser) or by which the Purchaser or its assets or properties are or may be bound which, if adversely determined, would have a Material Adverse Effect on the ability of the Purchaser to perform its obligations under this Agreement and the Operative Agreements to which it is a party, to assume and perform the Assumed Liabilities or to consummate on a timely basis the Transactions.

5.6 Brokers. No finder, broker, agent, financial advisor or other intermediary has acted on behalf of the Purchaser in connection with this Agreement or the Transactions or is entitled to any payment in connection herewith or therewith.

5.7 FCC Qualifications. The Purchaser is, to Purchaser's knowledge, legally, technically, financially and otherwise qualified under the Communications Act to perform its obligations hereunder, and to be the licensee of the FCC Licenses and own and operate the Business. To Purchaser's Knowledge, there is no fact or circumstance relating to the Purchaser or any of its Affiliates that would reasonably be expected to prevent the FCC from granting the FCC Applications or that would otherwise reasonably be expected to disqualify the Purchaser as the licensee of the FCC Licenses or as the owner or operator of the Business. The Purchaser has no reason to believe that the FCC Applications might not be granted by the FCC in the ordinary course due to any fact or circumstance relating to the Purchaser or any of its Affiliates. Other than the satellite and main studio waivers described in the definition of FCC Consent, no waiver of any FCC rule or policy is required for the grant of the FCC Applications.

5.8 Financing. The Purchaser has sufficient cash, available lines of credit or other sources of immediately available funds to enable it to make payment of the Purchase Price and any other amounts to be paid by it in accordance with the terms of this Agreement. The Purchaser acknowledges and agrees that it shall be the Purchaser's obligation to have funds on hand at the Closing sufficient to enable the Purchaser to pay the Purchase Price and the Purchaser's failure to have such funds at Closing shall constitute a breach by the Purchaser that gives rise to the failure of a condition set forth in Section 7.2 for the purposes of Section 9.1(a).

ARTICLE VI. COVENANTS AND AGREEMENTS

6.1 Conduct of Business. At all times during the period commencing upon the execution and delivery of this Agreement by the parties hereto and terminating upon the earlier of the Closing or the termination of this Agreement pursuant to and in accordance with the terms of Section 9.1 hereof, unless the Purchaser shall otherwise consent in writing, and except as otherwise required by Law or to enable the Seller to comply with its obligations hereunder or as otherwise set forth in Schedule 6.1 hereto, the Seller shall:

(b) Without limiting the foregoing, at all times during the period commencing upon the execution and delivery of this Agreement by the parties hereto and terminating upon the earlier of the Closing or the termination of this Agreement pursuant to and in accordance with the terms of Section 9.1 hereof unless the Purchaser shall otherwise consent in writing (which consent shall not be unreasonably withheld, delayed, denied or conditioned, and which shall be deemed given if Purchaser does not respond to Seller's request for consent sent via email to Purchaser's counsel to the email address set forth in Section 10.1 within five (5) Business Days after delivery thereof), except as set forth on Schedule 6.1 hereto, the Seller shall use commercially reasonable efforts not to take, or cause to be taken, any of the following actions to the extent such actions relate to the Station:

(i) (A) enter into, materially amend, materially modify or terminate (other than at the expiration of their respective terms or due to a default of the other party thereunder) any (1) Business Contract relating to Program Rights, or (2) other Business Contract, other than Business Contracts not involving Liabilities exceeding \$100,000 individually in any twelve-month period or \$300,000 in the aggregate in any twelve-month period for all such Business Contracts or (B) enter into, materially amend, materially modify or terminate (other than, with respect to termination alone, at the

expiration of their respective terms or due to a default of the other party thereunder) any Multi-Station Contract to the extent it relates to the Station;

(ii) make any change in any method of accounting or accounting practice utilized in the preparation of the Financial Statements, except for any such change required by reason of a concurrent change in GAAP;

(iii) increase any wage, salary, bonus or other direct or indirect compensation payable or to become payable to any of the Business Employees, or make any accrual for or commitment or agreement to make or pay the same, other than increases in wages, salary, bonuses or other direct or indirect compensation made in the ordinary course of business, consistent with past practice. Notwithstanding the foregoing, any such increases shall not exceed 5% individually or in the aggregate, or those required by any existing Business Contract or Law; provided, however, the Seller may offer retention bonuses to any of the Business Employees, at the sole expense of the Seller;

(iv) make any payment or commitment to pay any severance or termination pay to any Business Employee or any independent contractor, consultant, agent or other representative of the Seller, other than payments or commitments to pay such Business Employees, independent contractors, consultants, agents or other representatives of the Seller in accordance with the terms of any agreements with such individual, or those required by any existing Business Contract or Law; provided, however, that the Seller may make any such payment or commitment to make any such payment at the sole expense of the Seller;

(v) (A) sell or make any other disposition of any of the Assets except (x) obsolete assets that are not in use in the operation of the Station; (y) pursuant to existing Business Contracts; or (z) in the ordinary course of business, consistent with past practice; and (B) grant or incur any Encumbrance on any of the Assets, other than Permitted Encumbrances;

(vi) except in the ordinary course of business, consistent with past practice, incur or assume any debt, obligation or Liability;

(vii) except in the ordinary course of business, consistent with past practice, materially amend, materially modify or terminate any Material Business License; or

(viii) enter into any binding agreement to do any of the foregoing.

6.2 Access and Information. Subject to the terms of the Confidentiality Agreement, at all times during the period commencing upon the execution and delivery hereof by the parties hereto and terminating upon the earlier of the Closing or the termination of this Agreement pursuant to and in accordance with the terms of Section 9.1 hereof, the Seller shall permit the Purchaser and its authorized agents and representatives to have reasonable access, upon reasonable advance notice and during normal business hours, to the Station and the Assets and all of its relevant books, records and documents of or relating to the Station and the Assets, and

shall furnish to the Purchaser such information and data, financial records and other documents in its possession relating to the Station and the Assets as the Purchaser may reasonably request; provided that such access shall not unduly interrupt the normal operations of the Station, shall be coordinated through Seller management, and shall comply with all applicable Business Contracts and Permitted Encumbrances.

6.3 Confidentiality. Except for disclosure to Affiliates, officers, directors, employees, attorneys, bankers, investors, or other representatives in furtherance of the transactions contemplated by this Agreement, or disclosure to Governmental Authorities or other Persons in accordance with applicable Law, each party hereto shall maintain the confidentiality of all information obtained by it from the other party hereto in connection with the transactions contemplated by this Agreement, unless such information (i) thereafter becomes generally available to the public, (ii) is otherwise available to the such receiving party desiring to disclose the information on a non-confidential basis from another source, or (iii) has been developed independently by the party seeking to disclose the information. If this Agreement is terminated pursuant to Article IX hereof, each party hereto shall return to the other party hereto all documents (written and electronic) and other materials obtained by the first party from the other party hereto in connection with the negotiation of this Agreement and/or relating to the transactions contemplated hereby. The parties acknowledge that this Agreement must be filed with the FCC.

6.4 Further Actions.

(a) Upon the terms and subject to the conditions set forth in this Agreement (including the terms of Section 6.4(b) hereof), the Seller and the Purchaser shall each use their respective commercially reasonable efforts to take, or cause to be taken, all appropriate action, and to do, or cause to be done, and to assist and cooperate with the other parties hereto in doing, all things necessary, proper or advisable under applicable Laws to consummate the Transactions, including, without limitation (but subject to Section 3.5): (i) obtaining all necessary Licenses, actions or nonactions, waivers, consents or approvals, authorizations, qualifications and other orders of any Governmental Authorities with competent jurisdiction over the Transactions, and (ii) obtaining all necessary consents, approvals or waivers from third parties.

(b) Also in furtherance and not in limitation of Section 6.4(a), the Purchaser and the Seller each shall prepare and file with the FCC as soon as practicable, but in no event later than fifteen (15) Business Days after the execution of this Agreement, the requisite applications (the "FCC Applications") and other necessary instruments or documents requesting the FCC Consent and thereafter prosecute such applications with all reasonable diligence to obtain the FCC Consent as soon as practicable; provided, however, except as provided in the following sentence, neither the Purchaser nor the Seller shall be required to pay consideration to any third party to obtain the FCC Consent. The parties shall each pay one-half of the FCC filing fees relating to the Transactions, irrespective of whether the transactions contemplated by this Agreement are consummated. The Purchaser and the Seller each shall oppose any petitions to deny or other objections filed with respect to the FCC Applications to the extent such petition or objection relates to such party. Neither the Purchaser nor the Seller shall take any intentional action that would, or intentionally fail to take such action the failure of which to take would, reasonably be expected to have the effect of materially delaying the receipt of the FCC Consent.

If the Closing shall not have occurred for any reason within the original effective period of the FCC Consent, and neither party shall have terminated this Agreement under Section 9.1, the Purchaser and the Seller shall jointly request that the FCC extend the effective period of the FCC Consent. No extension of the FCC Consent shall limit the right of either party to exercise its rights under Section 9.1.

(c) In connection with the efforts referenced in this Section 6.4 to obtain the FCC Consent, the Purchaser and the Seller shall each use its respective commercially reasonable efforts to (i) cooperate in all respects with each other in connection with any filing or submission and in connection with any investigation or other inquiry, including any proceeding initiated by a private party, (ii) keep the other party informed in all material respects of any material communication received by such party from, or given by such party to, the FCC or any other Governmental Authority and of any material communication received or given in connection with any proceeding by a private party, (iii) permit the other party the opportunity to review in advance any submissions to any Governmental Authority or material agreement that relates to the consummation of the transactions contemplated by this Agreement and (iv) permit the other party to attend any meetings with any Governmental Authority or participate in any communications with any Governmental Authority. The Seller shall be permitted by Purchaser to enter into tolling agreements with the FCC to extend the statute of limitations for the FCC to determine or impose a forfeiture penalty against Seller in connection with any pending complaint against Seller relating to the broadcast of allegedly obscene, indecent or profane material, or regarding Seller's compliance with other FCC rules.

6.5 Publicity. The Seller and the Purchaser shall cooperate with each other in the development and distribution of all news releases and other public disclosures relating to the transactions contemplated by this Agreement. Neither the Seller nor the Purchaser shall issue or make, or allow to have issued or made, any press release or public announcement concerning the transactions contemplated by this Agreement without the consent of the other party hereto, except as otherwise required by applicable Law or the rules of any applicable stock exchange, but in any event only after giving the other parties hereto a reasonable opportunity to comment on such release or announcement in advance, consistent with such applicable legal requirements.

6.6 Transaction Costs; Like Kind Exchange.

(a) The Purchaser shall pay all transaction costs and expenses (including legal, accounting and other professional fees and expenses) that it incurs in connection with the negotiation, execution and performance of this Agreement and the consummation of the Transactions (the "Transaction Expenses"). The Seller shall pay all transaction costs and expenses (including legal, accounting and other professional fees and expenses) that it incurs in connection with the negotiation, execution and performance of this Agreement and the consummation of the Transactions. Each Party shall pay one-half of all transfer Taxes (including sales, use and real property transfer Taxes) and fees and costs of recording or filing all applicable conveyancing instruments associated with the transfer of the Assets from the Seller to the Purchaser pursuant to this Agreement. Consistent with Section 6.4(b) above, each party shall pay one-half of all FCC filing fees. The Seller and the Purchaser shall cooperate in the preparation, execution and filing of all Tax Returns regarding any transfer Taxes which become

payable as a result of the transfer of the Assets from the Seller to the Purchaser pursuant to this Agreement and/or shall cooperate to seek an available exemption from such Taxes.

(b) Each of the Seller and Purchaser shall have the right to assign its respective rights under this Agreement (but without release of its respective obligations herein and without release of the other party's obligations herein) to a third party who may act as a "qualified intermediary" or an "exchange accommodation titleholder" with respect to this Agreement in accordance with the provisions of Section 1031 of the Code, the Treasury Regulations promulgated thereunder, and any corresponding state or local income Tax laws (such assignment and related transactions, a "Like-Kind Exchange"). If either party elects to engage in a Like-Kind Exchange, the party so electing (the "Electing Party") shall notify the other party of its election in writing no later than five (5) days prior to the Closing, identifying those Assets that it intends to qualify as part of the Like-Kind Exchange. The Electing Party shall bear its own expenses in connection with any such election to engage in a Like-Kind Exchange. Each of Seller and Purchaser, as the case may be, shall cooperate fully with the Electing Party, and take any action reasonably requested in writing by the Electing Party, in connection with enabling the transactions to qualify in whole or in part as a Like-Kind Exchange; provided, however, that such actions do not impose any liabilities, including any unreimbursed monetary obligations or costs, on Seller or Purchaser and does not release Purchaser or Seller from its obligations under this Agreement, as the case may be, and that the Electing Party shall promptly reimburse the other party for any third-party costs reasonably incurred in connection with such election, including as the result of any subsequent review of such election by any Governmental Authority or any attendant Tax consequences.

6.7 Employees and Employee Benefit Matters.

(a) Purchaser may, but shall have no obligation to, employ or offer employment effective as of the Closing to any Business Employee, but shall have no obligation to, employ or offer employment effective as of the Closing to any Business Employee. All Business Employees who accept such offer of employment under the first sentence of this paragraph shall be referred to herein as "Transferred Employees".

(b) Immediately prior to the Closing, the Seller shall terminate the employment of all Business Employees to whom an offer of employment has been made pursuant to the first sentence of Section 6.7(a).

(c) Seller shall retain full responsibility and Liability for offering and providing "continuation coverage" to any "qualified beneficiary" who is covered by a "group health plan" sponsored or contributed to by Seller or an ERISA Affiliate and who has experienced a "qualifying event" or is receiving "continuation coverage" on or prior to the Closing. "Continuation coverage," "qualified beneficiary," "qualifying event" and "group health plan" shall each have the meaning given such term under Section 4980B of the Internal Revenue Code and Section 601 et seq. of ERISA.

(d) Seller shall be solely responsible for compliance with applicable federal, state or local laws regarding "plant closings" or "mass layoffs" (as such terms are defined in WARN) or similar triggering events as they relate to the transactions contemplated by this

Agreement, including, without limitation, the requirements of WARN. Except as otherwise provided in this Section 6.7, Seller shall (i) retain liability for all obligations and liabilities to the Business Employees arising prior to the Closing; and (ii) in accordance with Seller's employment terms or employment and compensation agreements, be responsible for and shall cause to be discharged and satisfied in full all amounts owed to the Transferred Employees, including, without limitation, wages, salaries, bonuses, severance pay, sick pay, accrued vacation, any liabilities accrued or incurred under any of the Employee Plans, or any other benefits or payments relating to the period of employment by Seller.

(e) Purchaser will assume all liabilities for unpaid, accrued vacation and personal time of each Transferred Employee as of the Closing Date, giving service credit under Purchaser's vacation and personal time policy for service with the Seller and shall permit Transferred Employees to use their vacation and personal time entitlement accrued as of the Closing Date in accordance with Purchaser's policy for carrying over unused vacation and personal time. To the extent that, following the Closing Date Purchaser's policies do not permit a Transferred Employee to use any accrued and unused vacation and personal time for which Purchaser has assumed the liabilities hereunder (other than as a result of such Transferred Employee's failure to use such vacation and personal time despite his or her eligibility to do so, without adverse consequences, under Purchaser's policies), Purchaser will pay such Transferred Employee for any such vacation and personal time. Service with the Seller shall be taken into account in determining Transferred Employees' vacation and personal time entitlement under Seller's vacation and personal time policy after the Closing Date. Notwithstanding any provision in this Agreement to the contrary, no Transferred Employee shall be entitled to receive duplicate credit for the same period of service.

(f) Purchaser will assume all liabilities for unpaid, accrued sick leave of each Transferred Employee as of the Closing Date, giving service credit under Purchaser's sick leave for service with the Seller, and Purchaser shall grant credit to Transferred Employees for all unused sick leave accrued by such Transferred Employee on the basis of their service during the current calendar year as employees of the Seller in accordance with the Seller's policy on sick leave.

(g) This Section 6.7 will operate exclusively for the benefit of the parties to this Agreement and no provision of this Agreement shall create any third-party beneficiary rights of any employee or former employee (including any beneficiary or dependent thereof) of Seller with respect to continued employment (or resumed employment) with Purchaser, Service Provider or Seller or in respect of any other matter.

6.8 Retention of and Access to Records. From and after the Closing, for a period of six (6) years the Purchaser shall preserve all books and records transferred by the Seller to the Purchaser pursuant to this Agreement. Upon the expiration of such six (6) year period, the Purchaser shall provide the Seller a reasonable opportunity to obtain copies, at the Seller's expense, of any of such books and records. As soon as practicable following the Closing, the Purchaser shall deliver to the Seller such financial information relating to the Station in sufficient detail to enable the Seller to prepare its financial statements and all Tax Returns of the Seller relating to periods ending on or prior to the Closing Date. In addition to the foregoing, from and after the Closing, the Purchaser shall afford to the Seller, and its counsel, accountants and other

authorized agents and representatives, during normal business hours, reasonable access to the employees, books, records and other data relating to the Assets, the Assumed Liabilities, the Transferred Employees and the Excluded Liabilities in its possession with respect to periods prior to the Closing, and the right to make copies and extracts therefrom, to the extent that such access may be reasonably required (a) to facilitate the investigation, litigation and final disposition of any claims which may have been or may be made against any such party or Person or its Affiliates, (b) for the preparation of Tax Returns and audits, and (c) for any other reasonable business purpose.

6.9 Control Prior to Closing. The parties acknowledge and agree that, for the purposes of the Communications Act and any other applicable Law, this Agreement and, without limitation, the covenants in this Article VI, are not intended to, and shall not be construed to, transfer control of the Station or to give the Purchaser any right to, directly or indirectly, control, supervise or direct, or attempt to control, supervise or direct, the programming, operations or any other matter relating to the Station prior to the Closing Date, and the Seller shall have complete control and supervision of the programming, operations, policies and all other matters relating to the Station until the Closing.

6.10 Risk of Loss.

(a) If, prior to the Closing, any of the Assets shall be damaged or destroyed by fire or other casualty, Seller shall take all reasonable steps to repair, replace and restore the Assets to reasonable operating condition as soon as possible after any loss or damage, it being understood and agreed that all insurance proceeds with respect thereto ("Proceeds") will be applied to or reserved for such replacement, restoration or repair, but that Seller will have no obligation to repair, replace or restore in excess of the Proceeds (plus any applicable deductible payment), and that Purchaser's sole remedies if Seller elects not to fully repair, replace or restore will be (i) to terminate this Agreement, or (ii) to close in accordance with Section 6.10(c).

(b) In the event that, prior to Closing, any damage or loss causes material impairment to and prevents broadcast transmissions of the Station in the normal and usual manner and substantially in accordance with the FCC Licenses (not to include ordinary course scheduled maintenance), Seller will give prompt notice thereof to Purchaser and Purchaser, in addition to its other rights and remedies, will have the right to postpone the Closing Date until five (5) Business Days after transmission in accordance with the FCC Licenses has been resumed, subject to the Upset Date. During the period of postponement, Seller shall use its commercially reasonable efforts to resume broadcast transmissions. In the event transmission in accordance with the FCC Licenses cannot be resumed within the effective period of the FCC's consent to assignment of the FCC Licenses to Purchaser, the parties will join in an application or applications requesting the FCC to extend the effective period of its consent for one or more periods not to exceed one hundred twenty (120) days in the aggregate, subject to the Upset Date. If transmission in accordance with the FCC Licenses has not been resumed so that the Closing Date does not occur by the Upset Date, Purchaser will have the right, by giving written notice to Seller within five (5) Business Days after the expiration of such 120-day period, or any such extension thereof, to terminate this Agreement forthwith without any further obligation.

(c) If any loss of or damage to the Assets occurs prior to the Closing Date, and repair, replacement or restoration of such Assets to not less than reasonable operating condition has not been made on or before the Closing Date (as the Closing Date may be extended as provided in Section 6.10(b)), or the cost thereof is greater than the Proceeds (plus any applicable deductible), then Purchaser will be entitled, but not obligated, to accept the Assets in their then-current conditions and will receive an abatement or reduction in the Purchase Price in an amount equal to the difference between the amount necessary to fully repair or replace the damaged Assets to a reasonable operating condition and the amount of any unused Proceeds and payment of any related deductible amount. If Purchaser elects to accept damaged Assets at a reduced Purchase Price, the parties agree to cooperate in determining the amount of the reduction to the Purchase Price in accordance with the provisions hereof; provided, further, that in such case, Purchaser shall be deemed to have waived any breach of the representations, warranties or covenants set forth in this Agreement with respect to such loss or damage and Purchaser and Indemnified Party claiming through Purchaser will have no rights to indemnification under Article VIII of this Agreement with respect thereto.

6.11 Title Insurance; Survey. Purchaser may obtain, at its sole option and expense, and Seller shall grant Purchaser commercially reasonable access to obtain (a) commitments for owner's and lender's title insurance policies on the Owned Real Property and commitments for lessee's and lender's title insurance policies for all Leased Real Property (collectively the "Title Commitments"), and (b) an ALTA survey on each parcel of Real Property (the "Surveys"); provided, however, that Seller shall provide Purchaser with any existing Title Commitments and Surveys in their possession and that have been obtained in the last five (5) years. The Title Commitments will evidence a commitment to issue an ALTA title insurance policy insuring marketable fee simple (or leasehold, if applicable) title to each parcel of the Real Property contemplated above for such amount as Purchaser reasonably directs and will contain no material exceptions except for Assumed Liabilities or Permitted Encumbrances. Seller shall reasonably cooperate with Purchaser in obtaining such Title Commitments and Surveys (including by providing customary representations and affidavits to Purchaser's title company to the extent consistent with Seller's obligations hereunder); provided that Seller will not be required to incur any cost, expense or other liability in connection therewith inconsistent with Seller's obligations hereunder. If the Title Commitments or Surveys reveal any Encumbrance on the title, other than Assumed Liability or Permitted Encumbrance, Purchaser may notify Seller in writing of such objectionable matter as soon as Purchaser determines that such matter is not an Assumed Liability or Permitted Encumbrance or otherwise a customary title exception, and Seller shall use commercially reasonable efforts to remove such objectionable matter as required pursuant to the terms of this Agreement. At or prior to Closing, Seller shall remedy any title defect that is of a monetary nature and that is not an Assumed Liability or a Permitted Encumbrance.

6.12 Transition Matters. Seller shall provide the services set forth on Schedule 6.12 for the time periods described on such schedule. Any covenants and limitations set forth on Schedule 6.12 are hereby incorporated in this Agreement in accordance with their terms.

6.13 Update. Seller shall deliver to the Purchaser, at least three (3) days before the Closing Date, a revised form of Schedule 4.7(a) as is necessary to reflect Business Contracts that have expired, been terminated, been amended, or been entered into in accordance with the terms

of this Agreement since the date hereof, together with copies of any such amended or new Business Contracts.

ARTICLE VII. CLOSING CONDITIONS

7.1 Conditions to Obligations of the Purchaser. The obligations of the Purchaser to consummate the transactions contemplated by this Agreement are subject to the satisfaction or fulfillment at or prior to the Closing of the following conditions, any of which may be waived in whole or in part by the Purchaser in writing:

(a) All representations and warranties of the Seller contained in this Agreement (disregarding any qualifications regarding materiality or Material Adverse Effect) shall be true and correct at and as of the Closing with the same effect as though such representations and warranties were made at and as of the Closing (other than any representation or warranty that is expressly made as of a specified date, which shall be true and correct as of such date only), except for changes which are permitted or contemplated pursuant to this Agreement or specifically consented to by the Purchaser in writing or to the extent that the failure of the representations and warranties of the Seller contained in this Agreement to be true and correct, at and as of the Closing (or in respect of any representation or warranty that is expressly made as of a specified date, as of such date only), has not had, and would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect.

(b) The Seller shall have performed and complied in all material respects with all the covenants and agreements required by this Agreement to be performed or complied with by it at or prior to the Closing.

(c) There shall be in effect no Law or injunction issued by a court of competent jurisdiction making illegal or otherwise prohibiting or restraining the consummation of the Transactions.

(d) The FCC Consent shall have been granted, shall be in full force and effect, without any conditions materially adverse to the Purchaser, and on terms that are not materially more onerous to the Purchaser than are the terms to the Seller under the existing FCC Licenses, in each case, other than those of general applicability to all licensees of broadcast television stations.

(e) The Seller shall have delivered to the Purchaser all of the certificates, instruments and other documents required to be delivered by it at or prior to the Closing pursuant to Section 3.2 hereof.

(f) The Required Consents shall have been obtained. For purposes hereof, “Required Consent” shall mean the consents, authorizations, approvals, waivers, or notices relating to the Business Contracts or Real Property Leases set forth on Schedule 7.1(f).

(g) The closing of the transactions contemplated by the Other Purchase Agreement shall have occurred.

7.2 Conditions to Obligations of the Seller. The obligations of the Seller to consummate the transactions contemplated by this Agreement are subject to the satisfaction or fulfillment at or prior to the Closing of the following conditions, any of which may be waived in whole or in part by the Seller in writing:

(a) All representations and warranties of the Purchaser contained in this Agreement (disregarding any qualifications regarding materiality) shall be true and correct in all material respects as of the date of this Agreement and at and as of the Closing with the same effect as though such representations and warranties were made at and as of the Closing (other than any representation or warranty that is expressly made as of a specified date, which shall be true and correct in all material respects as of such date only).

(b) The Purchaser shall have performed and complied in all material respects with the covenants and agreements required by this Agreement to be performed or complied with by it at or prior to the Closing.

(c) There shall be in effect no Law or injunction issued by a court of competent jurisdiction making illegal or otherwise prohibiting or restraining the consummation of the transactions contemplated by this Agreement.

(d) The FCC Consent shall have been granted and shall be in full force and effect.

(e) The Purchaser shall have delivered to the Seller the Purchase Price and all of the certificates, instruments and other documents required to be delivered by the Purchaser at or prior to the Closing pursuant to Section 3.3 hereof.

(f) The closing of the transactions contemplated by the Other Purchase Agreement shall have occurred

ARTICLE VIII. INDEMNIFICATION

8.1 Survival. The representations, warranties, covenants and agreements (other than covenants to be performed in whole or in part after the Closing, each of which shall survive the Closing until thirty (30) days after it has been performed) made by any party and contained in or made pursuant to this Agreement shall survive (and not be affected in any respect by) the Closing, any investigation conducted by any party hereto and any information which any party may receive, until one (1) year following the Closing Date, whereupon all such representations, warranties, covenants and agreements shall expire and terminate and shall be of no further force or effect; provided, however, that the representations and warranties in Section 4.1 (Organization), Section 4.2 (Seller's Authority), Section 4.5 (Equipment and Tangible Personal Property) solely with respect to title, Section 4.19 (Taxes) and Section 5.2 (Purchaser Authority) (collectively, such representations and warranties in Section 4.1 (Organization), Section 4.2 (Seller's Authority), Section 4.5 (Tangible Personal Property) solely with respect to title, Section 4.19 (Taxes) and Section 5.2 (Purchaser Authority), the "Core Representations") shall survive

the Closing until ninety (90) days after the expiration of the applicable statute of limitations with respect to the particular matter that is the subject thereof. In the event that written notice is properly given under this Article VIII with respect to any alleged breach of a representation and warranty to which such party is entitled to be indemnified hereunder prior to the applicable expiration date, such representation and warranty shall continue to survive (with respect to the subject matter of such written notice only) until the applicable claim is finally resolved.

8.2 Indemnification by the Purchaser. After the Closing, the Purchaser agrees to indemnify the Seller, its Affiliates and its and their respective officers, directors, employees and representatives (each, a “Seller Indemnified Party”) against and hold each such Seller Indemnified Party harmless from and reimburse each such Seller Indemnified Party for all losses, damages, Liabilities and expenses, including reasonable attorneys’ fees (collectively, “Damages”) which such Seller Indemnified Party may at any time sustain or incur as a result of or arising out of:

- (a) the breach of any representation or warranty of the Purchaser herein or in any Operative Agreement;
- (b) the breach of any covenant or agreement of the Purchaser contained herein or in any Operative Agreement; and
- (c) the Assumed Liabilities.

8.3 Indemnification by the Seller. After the Closing, the Seller agrees to indemnify the Purchaser, its Affiliates and its and their respective officers, directors, employees and representatives (each, a “Purchaser Indemnified Party”) against and hold each such Purchaser Indemnified Party harmless from and reimburse each such Purchaser Indemnified Party for all Damages which such Purchaser Indemnified Party may at any time sustain or incur as a result of or arising out of:

- (a) The breach of any representation or warranty of the Seller herein or in any Operative Agreement;
- (b) the breach of any covenant or agreement of the Seller contained herein or in any Operative Agreement; and
- (c) the Excluded Liabilities.

8.4 Notification of Claims.

(a) A party entitled to be indemnified pursuant to Section 8.2 or 8.3 (the “Indemnified Party”) shall promptly notify the party or parties liable for such indemnification (the “Indemnifying Party”) in writing of any claim or demand which the Indemnified Party has determined has given or could give rise to a right of indemnification under this Agreement (a “Notice of Claim”); provided, however, that a delay or failure to provide such notice shall not relieve any Indemnifying Party of its obligations, except to the extent that it has been prejudiced by such delay or failure. Any Notice of Claim shall (i) state with reasonable specificity the basis on which indemnification is being asserted, (ii) set forth the Indemnified Party’s good faith

estimate of the amount of Damages for which indemnification is being asserted, and (iii) in the case of third party claims (a “Third Party Claim”), shall be accompanied by copies of all relevant pleadings, demands and other papers served on the Indemnified Party.

(b) If the Indemnified Party notifies the Indemnifying Party of any Third Party Claim, the Indemnifying Party shall have the right (i) to employ counsel of its choice that is reasonably acceptable to the Indemnified Party to defend any such claim or demand asserted against the Indemnified Party, and (ii) to control and conduct any proceedings or negotiations in connection therewith and necessary or appropriate to defend, in each case, in good faith, the Indemnified Party, provided that the parties believe in good faith (based on facts known at the time) that it is reasonably likely that all or a majority of the Damages sought in the Third Party Claim are within the scope of and subject to indemnification hereunder. The Indemnifying Party shall notify the Indemnified Party in writing, as promptly as possible after its receipt of the Notice of Claim (but in any case within thirty (30) days of receipt by the Indemnifying Party of a Notice of Claim (the “Indemnity Notice Period”)) of its election to defend any such Third Party Claim. Notwithstanding the foregoing, the Indemnifying Party may not assume or control the defense if the named parties to the action giving rise to the Notice of Claim (including any impleaded parties) include both the Indemnifying Party and the Indemnified Party and representation of both parties by the same counsel would be inappropriate (based on a written opinion of outside counsel) due to actual or potential differing interests between them, in which case the Indemnified Party shall have the right to defend the action and to employ counsel reasonably approved by the Indemnifying Party, and, to the extent the matter is determined to be subject to indemnification hereunder, the Indemnifying Party shall reimburse the Indemnified Party for all reasonable costs associated with such defense. In the event that the Indemnifying Party does assume the defense as provided above, the Indemnified Party shall have the right to participate in such defense (including without limitation, with counsel of its choice), at its own expense, and the Indemnifying Party shall reasonably cooperate with the Indemnified Party in connection with such participation. If the Indemnifying Party does not deliver to the Indemnified Party written notice within the Indemnity Notice Period that the Indemnifying Party will assume the defense of any such claim or litigation resulting therefrom, the Indemnified Party may defend against any such claim or litigation in such manner as it may deem appropriate, at the cost of the Indemnifying Party.

(c) In the event the Indemnifying Party (i) does not elect to assume control or otherwise participate in the investigation and/or the defense of, or opposition to, any Third Party Claim or (ii) is not entitled to assume control of the investigation and/or the defense of, or opposition to, any such Third Party Claim, the Indemnifying Party shall be bound by the results obtained by the Indemnified Party with respect to such claim; provided, however, the Indemnified Party shall not have the right to consent or otherwise agree to any monetary or non-monetary settlement or relief, including injunctive relief or other equitable remedies, without the prior written consent of the Indemnifying Party, which consent will not be unreasonably withheld, delayed or conditioned. In the event that the Indemnifying Party assumes control of the investigation of, defense of, or opposition to, any Third Party Claim, the Indemnifying Party shall have the right in good faith to settle or compromise any such claim, provided that (i) at least five (5) Business Days prior notice of such settlement or compromise is given to the Indemnified Party and (ii) such settlement or compromise must not require the Indemnified Party to take or refrain from taking any action (provided that Indemnified Party shall not unreasonably withhold

its consent to the terms of a mutual release with respect to such claim with the third party making such claim), contain any admission by or on behalf of the Indemnified Party, or otherwise fail to hold the claimant fully harmless with respect to such claim. Notwithstanding the foregoing, in connection with any such settlement or compromise negotiated by the Indemnifying Party, no Indemnified Party shall be required by an Indemnifying Party to (i) enter into any settlement that does not include as an unconditional term thereof the delivery by the Indemnified Party or plaintiff to the Indemnified Party of a release from all liability in respect of such claim or litigation, or (ii) enter into any settlement that attributes by its terms any non-indemnified liability to the Indemnified Party.

(d) If a claim, whether a direct claim or a Third Party Claim, requires immediate action, the parties hereto will work in good faith to reach a decision with respect thereto as expeditiously as possible.

8.5 Limitations.

(a) Notwithstanding anything herein to the contrary, no Indemnifying Party shall have any obligation to indemnify any Indemnified Parties pursuant to Sections 8.2(a) or 8.3(a), as the case may be, and no Indemnified Party shall make a claim pursuant to Sections 8.2(a) or 8.3(a), as the case may be, unless the aggregate amount of Damages sustained or incurred with respect to all claims pursuant to Section 8.2(a) or Section 8.3(a), as the case may be, exceeds One Hundred Fifty Thousand Dollars (\$150,000) (the “Threshold”); provided, however, that if the aggregate amount of such Damages exceeds the Threshold, the Indemnifying Party shall be liable only for the amount of Damages in excess of the Threshold. Notwithstanding anything to the contrary contained in this Agreement, the aggregate maximum indemnifiable liability of any Indemnifying Party pursuant to Sections 8.2(a) or 8.3(a), as the case may be, shall be limited to Three Million Dollars (\$3,000,000) (the “Cap”); provided, however, that the Cap shall not apply to breaches of the Core Representations or fraud. For the avoidance of doubt, the maximum amounts payable under any clause of this Section 8.5(a) shall be reduced by any amount previously paid under Section 8.2(a) of this Agreement, or under Section 8.3(a) of this Agreement, in the aggregate, as applicable.

(b) Notwithstanding anything herein to the contrary, payments by the Indemnifying Party pursuant to Section 8.2 or 8.3 shall be limited to the amount of Damages, if any, that remain after deducting therefrom (i) any insurance proceeds and any indemnity, contribution or other similar payment actually recovered by the Indemnified Parties from any third party with respect thereto, reduced by any costs directly associated with recovery and any increase in any insurance related premiums as a result of any insurance claim related to such Damages, and (ii) any provision or reserve specifically provided for the item in question in the Prorations.

(c) Absent fraud, no claim for indemnification or cause of action arising under or resulting from this Agreement, any other Operative Agreement or any of the Transactions may be asserted by any Indemnified Party against the Seller or the Purchaser, respectively, for punitive, special, exemplary, speculative, remote or consequential damages (including for lost profits or revenue), or for damages calculated on the basis of any multiple or for diminution in

value, unless and only to the extent such damages are payable by the Indemnified Party to a third party.

(d) Notwithstanding any other provision of this Agreement, the Purchaser and the Seller acknowledge that the obligation of the Seller and the Purchaser, as the case may be, to provide indemnification for Damages arising out of Section 8.2 or 8.3 extends only to the Purchaser Indemnified Parties or the Seller Indemnified Parties, as the case may be, and that neither the Seller nor the Purchaser shall be obligated to provide such indemnification to any other Persons.

(e) The Indemnifying Party and the Indemnified Party shall use their respective commercially reasonable efforts with respect to resolving any Liability or minimizing Damages with respect to which an Indemnifying Party is obligated to indemnify an Indemnified Party to this Article VIII. The Indemnified Party shall use its commercially reasonable efforts to pursue payment under or from any insurer or third-party in respect of such Damages.

8.6 Treatment of Indemnity Benefits. All payments made by the Seller or the Purchaser, as the case may be, to or for the benefit of the other pursuant to any indemnification obligations under this Agreement shall be treated as adjustments to the Purchase Price for Tax purposes and such agreed treatment shall govern for purposes of this Agreement.

8.7 Exclusive Remedy. Absent fraud, the parties hereto hereby acknowledge and agree that the sole and exclusive remedy of the Purchaser Indemnified Parties and the Seller Indemnified Parties, as the case may be, from and after the Closing with respect to Damages and any and all claims for any breach or liability under this Agreement (except as specifically provided in any other Operative Agreement) shall be solely in accordance with, and limited by, the indemnification provisions set forth in this Article VIII.

ARTICLE IX. TERMINATION

9.1 Termination

(a) This Agreement may be terminated prior to Closing by either the Purchaser, on the one hand, or the Seller, on the other hand, upon written notice to the other following the occurrence of any of the following:

(i) by the Purchaser or Seller, if the other party is in breach or default of this Agreement or does not perform in all material respects the obligations to be performed by it under this Agreement on or prior to the Closing Date and such breach or failure to perform (a) would give rise to the failure of a condition set forth in Section 7.1(a) or Section 7.1(b) (in the case of a breach or default by Seller) or Section 7.2(a) or Section 7.2(b) (in the case of a breach or default by the Purchaser), if such breach or failure to perform had occurred at the time scheduled for Closing and (b) such breach has not been substantially cured as set forth in Section 9.1(d);

(ii) by the Purchaser or Seller, if there shall be any Law that prohibits consummation of the Transactions or if a Governmental Authority of competent

jurisdiction shall have issued a final, nonappealable Governmental Order enjoining or otherwise prohibiting consummation of the Transactions; or

(iii) by the Purchaser or Seller, if the Closing, as the case may be, has not occurred on or prior to the date that is 12 months from the date of this Agreement (the “Upset Date”).

(b) This Agreement may be terminated prior to Closing by mutual written consent of the Purchaser and the Seller.

(c) Upon the termination of an Other Purchase Agreement pursuant to the terms thereof.

(d) If applicable, this Agreement may be terminated prior to Closing by the Purchaser pursuant to Section 6.10.

(e) If either party asserts that the other is in breach or default of this Agreement in a manner that would entitle such party the right to terminate under Section 9.1(a)(i), the non-defaulting party shall, prior to exercising its right to terminate under Section 9.1(a)(i), provide the defaulting party with notice specifying in reasonable detail the nature of such breach or default. Except for a failure to pay the Purchase Price or otherwise perform any obligations to be performed at the time scheduled for Closing (to which the cure period described hereinafter shall not apply), the defaulting party shall have five (5) days from receipt of such notice to cure such default; provided, however, that if the breach or default is incapable of cure within such 5-day period, the cure period shall be extended as long as the defaulting party is diligently and in good faith attempting to effectuate a cure and there is a reasonable likelihood that a cure will be achieved. Nothing in this Section 9.1(e) shall be interpreted to extend the Upset Date.

(f) Upon termination: (i) if neither Seller nor Purchaser is in material breach of any provision of this Agreement, neither shall have any further liability to each other; and (ii) if either party shall be in material breach of any provision of this Agreement, the other party shall have the rights and remedies provided in Section 9.3, or otherwise available at law or equity.

9.2 Effect of Termination. In the event of a valid termination of this Agreement pursuant to Section 9.1, this Agreement (other than Section 6.6, this Article IX, Section 10.1, Section 10.2, Section 10.3, Section 10.4, Section 10.5, Section 10.6, Section 10.7, Section 10.10, Section 10.11, Section 10.12, Section 10.13, Section 10.14 and Section 10.15 each of which shall remain in full force and effect) shall forthwith become null and void, and no party hereto (nor any of their respective Affiliates nor any of such party’s or any of such Affiliates’, directors, officers or employees) shall have any liability or further obligation, except as provided in this Article IX; provided, however, that nothing in this Section 9.2 shall relieve any party from liability for any breach of this Agreement prior to termination. Notwithstanding anything to the contrary herein, in no event shall either party be permitted to terminate this Agreement after the Closing.

9.3 Specific Performance. In the event of failure or threatened failure by Seller to comply with the terms of this Agreement, the Purchaser shall be entitled to an injunction

restraining such failure or threatened failure and, subject to the extent applicable to obtaining the FCC Consent, to enforcement of this Agreement by a decree of specific performance requiring compliance with this Agreement. In the event of failure or threatened failure by Purchasers to comply with the terms of this Agreement, the Seller shall be entitled to an injunction restraining such failure or threatened failure to, and enforcement of, Section 2.3, Section 6.3, Section 6.5, Section 6.6, Section 6.8, Section 10.2, Section 10.4, Section 10.6, Section 10.7, Section 10.9, Section 10.11, Section 10.12, Section 10.13, Section 10.14 and Section 10.15 of this Agreement by a decree of specific performance requiring compliance with this Agreement. In the event of a default by either Purchaser or Seller that results in a lawsuit or other proceeding for any remedy available under this Agreement, the prevailing party shall be entitled to reimbursement from the other party of its reasonable legal fees and expenses (whether incurred in arbitration, at trial, or on appeal).

Any notice, request, demand, claim or other communication given hereunder using any other means (including ordinary mail or electronic mail) shall not be deemed to have been duly given unless and until such notice, request, demand, claim or other communication is actually received by the individual for whom it is intended.

10.2 Assignment. Neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned or delegated by the Seller or the Purchaser without the prior written consent of the other parties and any purported assignment or delegation in violation hereof shall be null and void except for assignments and transfers by operation of Law); provided, that Purchaser may by written notice to Seller, but without consent of, Seller, assign all or any part of its rights and obligations hereunder to one or more Affiliates of Purchaser and Purchaser may assign its rights hereunder in whole or in part as security for any financing of the transactions contemplated hereby, provided, that, in either case, any such assignment does not materially delay the processing of the FCC Application, the grant of the FCC Consent or the Closing or conflict with any FCC rules or policies; and provided further, that Purchaser shall not be relieved of any liability pursuant to this Agreement in connection with such assignment.

10.3 Amendments and Waiver; Exclusive Remedies. This Agreement may not be modified or amended except in writing signed by the party or parties against whom enforcement is sought. The terms of this Agreement may be waived only by a written instrument signed by the party or parties waiving compliance. No waiver of any provision of this Agreement shall be deemed or shall constitute a waiver of any other provision hereof (whether or not similar), nor shall such waiver constitute a continuing waiver unless otherwise provided. No delay on the part of any party hereto in exercising any right, power or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege hereunder. Whenever this Agreement requires or permits consent by or on behalf of a party, such consent shall be given in writing in a manner consistent with the requirements for a waiver of compliance as set forth in this Section 10.3. The rights and remedies herein provided shall be the exclusive rights and remedies available to the parties hereto at law or in equity.

10.4 Entire Agreement. This Agreement and the related documents contained as Exhibits and Schedules hereto or expressly contemplated hereby (including the Operative Agreements) contain the entire understanding of the parties relating to the subject matter hereof and supersede all prior written or oral and all contemporaneous oral agreements and understandings relating to the subject matter hereof. The Exhibits and Schedules to this Agreement are hereby incorporated by reference into and made a part of this Agreement for all purposes.

10.5 No Third Party Beneficiary. This Agreement is made for the sole benefit of the parties hereto, and their respective successors, executors and permitted assigns, and nothing contained herein, express or implied, is intended to or shall confer upon any other Person any third party beneficiary right or any other legal or equitable rights, benefits or remedies of any nature whatsoever under or by reason of this Agreement (except to the extent that certain third parties are expressly covered by the indemnity herein).

10.6 Governing Law. This Agreement will be governed by and construed and interpreted in accordance with the substantive Laws of the State of Delaware, without giving effect to any conflicts of Law, rule or principle that might require the application of the Laws of another jurisdiction.

10.7 Representations and Warranties Exclusive. The representations, warranties, covenants and agreements set forth in this Agreement and the Operative Agreements constitute all the representations, warranties, covenants and agreements of the parties hereto and their respective shareholders, directors, officers, employees, affiliates, advisors (including financial, legal and accounting), agents and representatives and upon which the parties have relied. In particular, and without in any way limiting the generality of the foregoing, the Purchaser acknowledges and agrees that, in making its decision to purchase the Assets, it is not relying on (a) any information or materials, oral or written, distributed or made available to the Purchaser by any Person prior to the date hereof other than matters set forth in this Agreement, including the Schedules and/or the Operative Agreements or (b) any financial projection, forecast or business plan relating to the Station. With respect to any projection, forecast or business plan delivered by or on behalf of the Seller to the Purchaser, the Purchaser acknowledges that (i) there are uncertainties inherent in attempting to make such projections, forecasts and plans, (ii) it is familiar with such uncertainties, (iii) it is taking full responsibility for making its own evaluation of the adequacy and accuracy of all such projections, forecasts and plans so furnished to it, and (iv) it shall have no claim of any kind whatsoever against any Person with respect thereto.

10.8 Neutral Construction. The parties to this Agreement agree that this Agreement was negotiated fairly between them at arms' length and that the final terms of this Agreement are the product of the parties' negotiations. Each party represents and warrants that it has sought and received legal counsel of its own choosing with regard to the contents of this Agreement and the rights and obligations affected hereby. The parties agree that this Agreement shall be deemed to have been jointly and equally drafted by them, and that the provisions of this Agreement therefore should not be construed against a party or parties on the grounds that the party or parties drafted or was more responsible for drafting the provision(s).

10.9 Severability. It is the desire and intent of the parties that the provisions of this Agreement be enforced to the fullest extent permissible under the Laws and public policies applied in each jurisdiction in which enforcement is sought. Accordingly, if any particular provision of this Agreement shall be adjudicated by a court of competent jurisdiction to be invalid, prohibited or unenforceable for any reason, so long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any party, such provision, as to such jurisdiction, shall be ineffective, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Notwithstanding the foregoing, so

long as the economic or legal substance of the Transactions is not affected in any manner materially adverse to any party, if such provision could be more narrowly drawn so as not to be invalid, prohibited or unenforceable in such jurisdiction, it shall, as to such jurisdiction, be so narrowly drawn, without invalidating the remaining provisions of this Agreement or affecting the validity or enforceability of such provision in any other jurisdiction. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced in any manner materially adverse to any party and that such provision cannot be narrowly drawn, the parties shall negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the Transactions be consummated as originally contemplated to the fullest extent possible.

10.10 Bulk Sales Laws. The parties hereby waive compliance with the bulk sales laws of any State in which the Assets are located or in which operations relating to the Station are conducted.

10.11 Heading; Interpretation; Schedules and Exhibits.
