Dear Applicant:

This refers to the above-captioned application for K281BM, Shelton, Washington. Based on the below, we will dismiss the application BPFT-20140721AAM.

An engineering study has revealed the application is a major change application pursuant to 47 C.F.R. § 74.1233(a)(1). Specifically, the Section states that "a major change is any change in frequency (output channel) except changes to first, second or third adjacent channels, or intermediate frequency channels".
