I, Dr. Everet W. Witzel, President and party to this application for a new NCE FM station at Ridgecrest, CA, affirm that we have had no contact with the one NCE applicant with which our application remains in conflict, and that no consideration has been promised by or received from this other applicant or from anyone else in exchange for modifying our application.

A handwritten signature in cursive script, appearing to read "Everet W. Witzel", written over a horizontal line.
