Subject: STA Applications

Dear Mohammad

Thank you for taking the time over the phone with me today. I sent in NEW STA requests per your instructions for DK21AJ-D, DK24AI-D, DK33EH-D, DK48BY-D AND DK50BO-D.

Please dismiss or delete the previous STA requests for extension since those original filings are expired per your instructions...specifically the following file numbers:  
20140924AGG  
20140924AGH  
20140924AGI  
20140924AGJ  
20140924AGK

I FULLY understand that sta's must be filed every 6 months. Please forgive me for letting the others expire due to my health over the last 15 months with 5 surgery's. I am doing much better and I have a collage student who has shown GREAT interest in the operations as well as the filings. Between the two of us...we will do better and hopefully young blood will take over so I can retire and rest and travel.

Again thank you for your time and as always a pleasure in talking with you and for your guidance. If you have any other questions or concerns or if I failed on something with these applications please call my cell phone at 509-860-5485

Respectfully  
Lonnie England C.E.
