Thomas A. Stephenson, P.S.

Memorandum

TO: Mr. Robert Henning
FROM: Tom Stephenson
DATE: 4/29/2016
RE: Antenna Orientation

Mr. Henning:

As you have requested and on behalf of the WUBU Radio Station, we have measured the orientation of the two antenna on the tower located at 60455 Grass Road Mishawaka, IN 46546. Based on our field observation on this date, we have found that both antenna are oriented on an azimuth of 295 degrees with an accuracy of 15 minutes more or less.

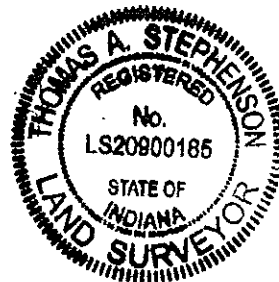

This determination has been based on geodetic north, using GPS (Global positioning system) observations.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas A. Stephenson", is written over a horizontal line.

Thomas A. Stephenson, P.S. LS20900185
