

FCC Form 316
Exhibit 10

KWHE-TV
Honolulu, HI
Fac. Id. 36846

Change in Interests as a Result of *Pro Forma* Assignment

LeSEA Broadcasting Corporation ("LeSEA"), assignor herein, is a non-profit Indiana corporation controlled by a board of three (3) directors. LeSEA requests FCC consent to a *pro forma* assignment of the license for full-power television station KWHE, Honolulu, Hawaii (Fac. Id. 36846) from LeSEA to LeSEA Broadcasting of Hawaii, Inc. ("LeSEA of Hawaii"), a new Indiana non-profit corporation. LeSEA is the sole member of LeSEA of Hawaii and through its existing board of directors (listed below), will exercise 100% voting control over LeSEA of Hawaii. Because LeSEA's three directors will be exercising their present 33.3% each voting interest whenever LeSEA takes action as the sole member of LeSEA of Hawaii, no change in control results from the proposed license assignment. LeSEA of Hawaii's officers and directors, all of whom are U.S. citizens, are listed below and are the same as the current officers and directors of LeSEA. Thus, the assignment is *pro forma* as contemplated by Section 73.3540(f)(5) of the Commission's rules and the use of FCC Form 316 is appropriate.
