In re: W225CE, Orlando, FL  
BMPFT-20150416AAR  
Facility ID No. 156373

Dear Applicant:

This letter refers to the above-captioned application as amended, for W225CE, Orlando, Florida.

An engineering study reveals the application is a major change pursuant to Section 74.1233(a)(1) of the Commission's Rules. Specifically, the proposed 60 dBμ service area fails to provide service to some portion of its 60 dBμ authorized service area, (BNPFT-20130813ABK). Therefore, the proposal is a major change. Because major change applications are not being accepted for filing, the application will be dismissed.

In light of the above, the application BMPFT-20150416AAR filed by Juan Alberto Ayala is unacceptable for filing pursuant to 47 C.F.R. § 73.3566(a) and IS HEREBY DISMISSED. This action is taken pursuant to 47 C.F.R. § 0.283.

Sincerely,

James D. Bradshaw  
Deputy Chief  
Audio Division  
Media Bureau
