

Engineering Statement

I, John R McClure, Jr., affirm, certify and declare under the penalty of perjury that the following is true and correct to the best of my knowledge and belief.

1. I am a broadcast owner/engineer with over 41 years of experience with radio stations. For the past several years, I have been the General Manager/Engineer for The Power Foundation, the Permittee and Licensee of numerous Non-Commercial FM Radio Stations.
2. As part of my duties, I oversaw the construction project for radio station WBNB (FM), Equality, Alabama (FCC Facility ID No. 173302) pursuant to Construction Permit BPED-20140310AED.
3. I certify that the WBNB antenna system is installed pursuant to the manufacturer's instructions and that WBNB is in full compliance with all conditions set forth in the Permit.
